A THOUGHT TO THINK ABOUT.
What man is he that desireth life, And loveth many days, that he may see good?

FOUNDED 1833 (ALL THE NEWS ALL THE TIME) THURSDAY EVENING, [illegible] OCT. 24, 1907. (THE SENTINEL IS A MEMBER OF THE ASSOCIATED PRESS) 12 PAGES—2 CTS.

BRIGHTER HUE IN FINANCIAL SKIES

Suspension of Small Banks Does Not Stop General Improvement in Conditions.

NEW YORK BROKERS CHEER J. P. MORGAN

New York, Oct. 24.—With all the great generals of finance and the secretary of the United States treasury acting in accord to restore public confidence in the banking and trust company situation here today, sentiment took on a much more cheerful tone in Wall street today and distinct approvement was visible in all quarters of the financial department.

John D. Rockefeller deposited $10,000,000 with one of the city's oldest trust companies to be used in extending aid to such trust companies as might require it.

Th failure or three small uptown banks had some small effect upon the general situation.

Cheers For J. P. Morgan.

There was an unusual scene at the stock exchange at the closing hour. When the brokers realized that it was three o'clock and that the trying day had been passed without serious difficulty, they gathered in the center of the big exchange and gave three cheers for J. Pierpont Morgan, whose action in forming the money pool that came to the relief of the market at 2:15 had turned the tide at the moment when prices were ebbing away with alarming rapidity. At the close of the market there was a buoyant rise in the United States Steel securities, the common shares rising ½ over night and the preferred 1 and sinking fund bonds 3⅞.

The Trust Company of America continued to pay all demands up to the close of banking hours at 3:30.

In the first half hour of business at the Trust Company of America this morning more money was deposited than was withdrawn. The deposits up to 10:30 a. m. amounted to $900,000.

At 10:45 J. Pierpont Morgan, in reply to a question as to the situation, said: "It is all right."

James Stillman, president of the National City bank, the largest bank in the United States, who was with Mr. Morgan, concurred, saying that the situation was satisfactory.

Secretary Cortelyou this morning said: "Things look pretty good now. I have had word of the suspension of the two Harlem banks, but prefer to make no comment on it. I will remain here some time longer—how long I cannot say. I would have had to be in New York tonight any way. The rumor that we are short of small bills is unfounded. We have $10,000,000 in small denominations."

All the over-night developments in the financial situation were reassuring. The conferences participated in by Secretary Cortelyou, J. Pierpont Morgan, John A. Stewart, James Stillman and other bankers and men of affairs disclosed an agreement in the opinion that the local banking situation is well in hand and that with the government deposits to be made by Secretary Cortelyou today there will not only be enough cash on hand, but even more than might be needed.

Cortelyou's Early Statement.

At 1 o'clock this morning Secretary Cortelyou gave out the following statement:

"I have said to gentlemen who called upon me today that any statement to the public regarding existing conditions here should be made with the utmost frankness, so depositors and others interested in banks might realize that entire reliance could be placed upon it. Those familiar with the facts have known that the situation was made serious, largely because of the circulation of unfounded rumors and the unreasoning anxiety of many who thought only for the moment. To pass safely through such a day as this one, of the most unnecessary excitement as it has been, is the best evidence of strength and support on the part of those who have undertaken the difficult task of restoring public confidence wherever there was weakness, and there has been comparatively few instances. Strong and able men are rendering aid, and in behalf of the treasury department I may say that I believe it is my duty to do so, and I shall do in the largest way possible whatever may be necessary to afford relief. If the press of the city will continue its co-operation and if the public, on its part, will reflect upon the real strength of our banking institutions there will be a prompt return of the confidence which their condition warrants. As evidence of the treasury's position I have directed deposits in this city to the extent of $25,000,000."

Gathered at 6 O'clock.

As early as 6 o'clock a little knot of persons had gathered in front of the main banking house of the Trust Company of America in Wall street and by 8 o'clock their number was augmented by fifty more. At the company's branch at Broadway and Ann street, formerly the Colonial Trust company, there were fifty or seventy-five persons in line at 8 o'clock.

At 9:30 there was about 1,500 persons in line in front of the Trust Company of America's main office in Wall street, waiting for the opening of business.

The directors of the S. Straus Company of America went to session at 9:30 this morning. Those present were Oakleigh Thorne, W. K. Vanderbilt, Jr., John E. Bourne, W. A. Chesbrough, Marsden J. Perry and George R. Sheldon.

The directors had been in session but a few minutes when Mr. Thorne, president of the company, left the board room long enough to say to the crowd waiting to draw its money that the Trust Company of America was prepared to meet all demands and was entirely solvent.

Began Paying Depositors.

The Trust Company of America began payments to its depositors at 10 o'clock this morning.

The determination of the trust companies to aid the Trust Company of America no matter what its contingencies may be today through a committee formed under J. Pierpont Morgan's direction; Mr. Morgan's pronounced part in staying the panic and the calming statements by John D. Rockefeller, President James Stillman, of the National City bank and Vice President Frank A. Vanderlip, of the same institution—these things

(Continued on Page Ten.)

BROKERS BESIEGE THE STOCK EXCHANGE FOR LOANS

After Fitful Day Market Closes in Confusion But Strong.

New York, Oct. 24.—The stock market opene today strong and higher. First sales were of Smelting at 69, an advance of 1 point over last night. Baltimore and Ohio, 81, a gain of 2½; Atchinson 76, an advance of 2; St. Paul 107½, a gain of 1, and Reading 79¼, a gain of ⅝.

The stock market gave prompt expression at the outset to the feeling of satisfaction over the measures announced over night to the financial crisis. The opening prices proved too rapid to be maintained and there was some reaction but the activity immediately diminished at the lower prices. Westinghouse Electric rose 10 and American Tobacco preferred 4¾. There were advances of 2¾ to 1¾ in market leaders, but in a few stocks liquidation still made itself felt. Sault Ste Marie running off 4½; Southern Pacific preferred 1¾.

The liquidation bore heavily on the Western railroad stocks and American Smelting, but they rallied 1 to 1½ before noon and the market quieted. Northern Pacific made an extreme decline 5, and the Hill and Harriman stock, St. Paul, Delaware & Hudson, American Smelting and Sugar from 3 to 4 points.

The number of brokers seeking loans at the stock exchange continued very large during the day and the supply of funds was very scarce. The urgency of this demand and the necessities of those who failed to secure accommodations explained the occasional weak points in the market. Declines in special stocks were violent on this account, but the general list became quiet.

Just before 2 o'clock this afternoon call money was lending in small lots at from 50 to 70 per cent.

Turned Very Weak.

The stock market turned very weak shortly after 2 o'clock, Union Pacific selling down to par, a decline of 8½c. Reading sold down 8 points below last night. Northern Pacific declined 9 points, St. Paul 6 and Southern Pacific 4⅛. There was no news to account for the decline except the scarcity of money supplies and the advance in the money rate to 100 per cent. It was announced on the stock exchange at 2:20 that a pool had been formed which would supply the brokers with all the money required to close their operations tonight.

There were violent feverish rallies in the stock market following the decline. Union Pacific rising in a few minutes to 105 and Reading to 75. Prices jumped a full point in some cases between sales. Northern Pacific rallied 4¾. Amalgamated Copper also rose 3¾ from the lowest at 225, following the announcement of a pool organized to satisfy the money requirements on the stock exchange. Call money was lending at 10 per cent.

The amount of the pool loans made in the stock exchange was about $25,000,000.

Closed In Confusion.

The stock market closed in much confusion, but generally strong. Prices were declining rapidly when there was a transformation worked by the news that $25,000,000 had been provided by bankers to lend on call. A sudden and violent rebound followed, after which the market fell into dullness and uncertainty. St. Paul, Union Pacific and Northern Pacific were carrier near to par by the slump. Northern Pacific's decline reached 9½, Union Pacific 8½, Reading 8⅛ and many others from 3 to 6 points. Pullman and Republic Steel preferred 5½, Union Pacific, Northern Pacific and Great Northern preferred 5 to 6 points; Amalgamated Copper 4 and others 1 to 3½; United States Steel rose ½ over last night in the late dealings and the preferred 1.

SUSPECT A PLOT TO BLOW UP SALOON BUILDING

Terrific Explosion in Rear of Jackson's Place Does Damage.

An explosion for which there are as many theories as there are people who have given the matter any thought, occurred about 9:45 o'clock last night in the alley running north and south immediately east of the Arcade and shattered several hundred dollars worth of glass, inflicting damage estimated at from $300 to $500.

That the explosive was dynamite and that there was design and probable revenge that incited the act are facts that are generally agreed upon and the police have worked all day, but have found absolutely nothing that would be of any value as a clue in running the matter down.

A significant remark made by a woman who lives in Spy Run, as she viewed the wreck this morning, offered a new theory. She simply said: "See what a woman can do."

That the charge was directed toward the wrecking of A. B. Jackson's place is highly probable as the center of the explosion appears to have been over a grating that covered the cellar windows back of the Lehman clothing house. This grating is less than two feet away from the back door of the Jackson saloon.

If a woman did it she covered her tracks well and selected a good time, as the streets were practically cleared by the fact that people who would otherwise have been abroad were at the theaters or the prize fight and so far as could be learned no person was seen entering the alley from either

MOTHER FIGHTS OFFICER TO RETAIN CUSTODY OF CHILD

When Girl is Taken She Becomes Violent—The Court News.

When Deputy Sheriff Huguenard attempted to take possession of Violet Powers, ten years old, at 717 Lavina street today, the mother, Frances Reeder, put up an awful fight and gave the officer as much as he could take care of for a few minutes. Afterward she became violent and was removed to the county jail and insanity proceedings instituted against her.

The woman has been out on the streets at night with the girl and Humane Officer Schlaudroff and O. E. Mohler, of the associated charities, who have been watching the case, decided the child did not have a proper home and had her committed to the home. When the officer went after her the mother attacked him, tried to bite and kick him and he finally called the patrol wagon and took both to the sheriff's office. The woman became hysterical and violent and her mental condition will be looked into.

A Day of Divorce Matters.

Emma Hudson has filed a cross-complaint in the divorce suit filed against her by William Hudson and charges him with calling her bad names, with threats to kill her and other cruelties. She was in the office of Emrick and Emrick having a complaint drawn at the same time her husband was in Judge W. G. Colerick's office for the same purpose and the legal representatives of both were in the court house at the same time to file actions. The husband got his on record first.

William H. Bashford, representing that his divorced wife, Frances Bashford, does not send their child to school and that she is being raised in an immoral atmosphere, has asked that the decree made at the time of the divorce be modified so that he can have possession of the little girl.

Iona Harding has filed suit for divorce from Joseph F. Harding, to whom she was married July 3, 1893. She charges that he has treated her cruelly for twelve years, during which he has used abusive language toward her, struck her and made her nose bleed, raised big welts on her forehead, refused for a long time to speak to her, told her she was insane and tried to get a commission held and accused her of infidelity. Harper & Eggeman are the attorneys.

Edna B. Smith wants a divorce from Walter L. Smith. She was married to him January 7, 1906, and alleges that he deserted her immediately afterward and made no provision for her support. They have one child, of which she asks the custody. Emrick & Emrick are the attorneys.

Margaret Hobbs was given a divorce from Arthur Hobbs and granted the custody of the four-year-old daughter. He is living, she stated, with a woman named Kessler and both were arrested and served time in jail at Lima.

Court Notes.

James Leonard, convicted of burglary, was sent to Michigan City this morning in charge of Patrolman Louis Linker.

Nathan Thorp was arrested for failure to take down the screens in his saloon after closing hours and gave a cash bond of $50 for his appearance.

W. H. Carter who sustained some internal injuries a few weeks ago by falling off a joist in an unfinished house, has recovered sufficiently to resume his duties at Carter and Sons' store.

VERDICT OF GUILTY FOR A MOTHER AND SON

Convicted in Murder Case at Indianapolis, Both Go to Prison.

Indianapolis, Ind., Oct. 24.—The double murder trial of Lizzie Jones and her son Henry Stanfield, charged with the murder of John Jones, husband and step-father respectively of the defendants, came to an end in Marion criminal court this morning when the jury was instructed by the court to bring in a verdict of guilty in the first degree of murder of the woman and guilty in manslaughter for the young man.

This was the result of a compromise agreement between the prosecutor and the attorneys for the defense by which it was decided that the woman should receive a life sentence and the young man an indeterminate sentence of from two to fourteen years.

John Jones was shot to death on the night of August 11th as he lay asleep. All the persons connected with the case are colored.

OFFICERS CHOSEN BY STATE BANKERS' MEETING

T. F. Wentz is Named as Twelfth District Vice President.

Indianapolis, Ind., Oct. 24.—At this morning's session of the Bankers' association the following officers were elected:

President—H. C. Johnson, Seymour.
Vice President—J. R. Voris, Bedford.
Treasurer—W. E. Cook, Corydon.
Vice Presidents-at-large—J. L. McCulloch, Marion; Charles P. Mitchell, Monroeville.
Vice Presidents for Congressional Districts—First district, Joel Bailey, Evansville; Fifth district, Mord Carter, Danville; Tenth district, E. L. Hollingsworth, Rensselaer; Eleventh district, J. R. Emley, Huntington; Twelfth district, Theodore Wentz, Fort Wayne.

Members of the Executive Council—Jonce Monyhan, Orleans; Henry Reis, Evansville; I. H. C. Royse, Terre Haute; James W. Sale, Markle; J. M. McIntosh, Indianapolis.

Indiana Condition Good.

At the trust company section yesterday afternoon I. H. C. Royse, of Terre Haute, president of the section, declared that financial conditions, as far as Indiana trust companies are concerned, were splendid. He said:

"Notwithstanding the recent slump in certain stocks and the consequent pessimism of some unfortunate speculators, Indiana is in the midst of great prosperity. The slightly diminished yield of farm crops is more than made up in the increase in prices. Our mines and factories have had a busy year, with an active market for their products. Consequently labor has been rewarded with steady employment at good wages.

"Our merchants are having the most active business in many years. With bountiful crops and active industries, we have but little sympathy with the pessimists who are predicting calamity. Of course, we have very little fear of a financial panic in the near future."

Bankers from over the state who are here share with local financiers the belief that no effect of the flurry will extend this distance from New York. They have the greatest confidence in the future and declare conditions never were better than they are at present.

COURT IS ASKED TO GET STATEMENT OF EMPEROR

William's Evidence Wanted in Libel Hearing in Berlin.

Berlin, Oct. 24.—Counsel for both sides in the action for libel brought by General Count Kuno Von Moltk against Maximillen Harden, editor of Die Zukunft, trial of which began here yesterday, presented motions today that the court take steps to obtain from Emperor William a statement of the subject of alleged attempts of the so-called Camarilla or "Round Table" to influence his majesty in political matters by subtle suggestions.

The judge took the matter under consideration and th ecourt was cleared of all persons except those actually connected with the trial and the newspaper representatives.

The day was occupied largely in taking testimony which is not fit for publication.

GERMANS VICTORS IN RACE OF THE AIRSHIPS

Pommern in Longest Flight With French Balloon Very Near It.

Washington, D. C., Oct. 24.—The official air line measurements of the flight of the two balloons in the international race from St. Louis as computed at the geological survey today follows:

St. Louis (Forest Park,) to Asbury Park, N. J., 873.4 miles; St. Louis to Herbertsville, N. J., 867.4 miles. The Pommeren landed at Asbury Park, the longest distance traveled by the competitors and the L'Isle de France landed at Herbertsville, N. J., next in distance.

Preparation of a map of the flight has been begun by William Welch, chief draughtsman of the signal corps, U. S. A., he having received by telegram all data relating to the anchorage of the balloons. It is expected that the Aero club of America will adopt these figures and ward the prizes accordingly.

RESULTS OF BALLOON RACE.

Balloon—	Landed.	Miles	Time from in air.
			St. L., h. m.
Pommern.....	Asbury Park, N.J.	880	40:00
Isle de France.	Huhertsville, N.J.	870	44:00

AGENT PAYS BOARD IN WORTHLESS PAPER AND SKIPS

Commercial Hotel Gets It for $18 and Bogus Check Racket.

A man giving the name of E. W. Cowles and representing himself as an agent for a publishing house, gave a bogus check for $18 at the Commercial hotel today and skipped out of town. When the check was presented at the Old National bank it was turned down.

Cowles said he wanted to leave early this morning and about 2 o'clock he handed a young lady, who was in charge, the check. It was signed by a man named Grimes and she deducted his board bill of $12 and gave him $6 in cash. As soon as the bank opened the check was presented and found to be worthless. The matter was reported to the police, but no action was taken as it would cost more to get hold of the man than the check amounts to.

LOOK OUT FOR KANSAS BAND OF THIRD TERMERS

Governor Hoch Tells President How They Intend to Perform.

Washington, D. C., Oct. 24.—Affairs state, applications for political appointments and personal visitors, occupied President Roosevelt today.

Governor Hoch, of Kansas, said he belonged to a band of third-termers in Kansas, who would "run over everybody else at the national convention like a herd of Texas steers."

The first cabinet meeting since last June will take place tomorrow.

BULLETIN.

Chattanooga, Tenn., Oct. 24.—The plant of the Chattanooga Gas company is on fire and burning fiercely. In response to calls several ambulances have gone to the scene.

There are three injured and two or three are reported missing. The cause of the explosion was a tank in the purifying room.

WILL SPEAK IN KENTUCKY.

Vice President Fairbanks Returning From Southern Trip.

St. Louis, Mo., Oct. 24.—Vice President Fairbanks, accompanied by his private secretary, George B. Lockwood, spent a little more than an hour here this morning between trains, en route from Dallas to Louisville, Ky. He will make addresses at Louisville, Middlesboro, and Harrisburg, Ky., and will then proceed to Indianapolis, his home.

MOTION WAS DENIED.

Court Declines to Dismiss Indictment for Perjury.

New York, Oct. 24.—A motion to dismiss the indictment for perjury against Dr. Walter R. Gillette, former vice president of the Mutual Life Insurance company when the prosecution rested yesterday, was denied by Justice Dowling in the criminal branch of the supreme court today.

DAWES TAKES A RAP AT DEPARTMENT OF JUSTICE

Charges Attorney General's Office With Making Gallery Plays.

Chicago, Oct. 24.—Delegates to the National Civic Federation convention today were early discussing the remarks at the meeting last night by Charles G. Dawes, ex-comptroller of the currency.

Mr. Dawes made a sharp attack upon the federal department of justice, virtually charging the office of the attorney general with making "gallery plays." He said in part:

"I cannot say that it is intentional on the part of the department of justice, but some of its actions look remarkably as though favoritism was being displayed in the selection of the combinations to be investigated and in the manner of attack.

"It is inevitible that the man who does things is in the public eye and attack upon him will always win publicity. It is remarkable that the cases handled by the department of justice are always tried in the newspapers before they get into the courts."

After criticising the magazine writers also, Mr. Dawes entered upon a defense of the financiers of New York, asserting that many of the financiers were doing a work for the good of the country that it is impossible to estimate.

In conclusion, Mr. Dawes urged the amendment of the Sherman anti-trust law.

The Addresses Today.

The first address delivered at the Civic Federation was that of Herbert Knox Smith, of the federal bureau of corporations, who spoke upon "Administrative Regulations of Corporations."

Mr. Smith was followed by D. A. Tompkins, of Charlotte, N. C., who spoke for twenty minutes on "The Railways and the People." Mr. Tompkins declared that the inter-state commerce had grown entirely beyond the control of any one state, and should be brought within one general jurisdiction.

The address of Mr. Tompkins was followed by that of William J. Schieffelin, of New York, whose subject was "Reasonable Agreements Beneficial to Commerce."

The next speaker was Herman Ridder, of New York, who spoke upon "Printing and Publishing, the Only Industry that Tends Toward Diffusion."

TAFT MEN ARE PLUNGED INTO DEEPEST GLOOM

Roosevelt Made No Statement; Want Him to Declare Himself.

Washington, Oct. 24.—There was genuine disappointment among friends of Secretary Taft because the president, upon his return from the south, did not see fit to give out a statement putting himself clear out of consideration as a presidential candidate. There had been no intimation from the president that he would issue such a statement, but Secretary Taft's managers had their hopes screwed up to the point of believing that he might do so.

There is no attempt to disguise the discontent that exists in the Taft camp because of the president's attitude. The Taft men are openly stating that they want a show-down from the president, and want it quickly. They would like to have a statement from him to the effect that under no circumstances will he accept the nomination and that his choice is Secretary Taft, but if he will not commit himself to Taft they will be duly apprecitive, they say, if he will just put out an unequivocal announcement that he can not be induced to take the nomination.

A. I. Vorys, Taft's chief manager, who has been in Washington this week, is very much discontented because the president is not willing to go on record on this subject. In nearly every state where Taft might be expected to have some votes delegations are being sought by the president's friends on the assumption that President Roosevelt will not decline another term, and they are to be Roosevelt delegations without any reference to Taft.

This is particularly embarrassing to Mr. Vorys. The discovery that Assistant Postmaster General Hitchcock has been working against Taft in the south has a parallel in the case of Truman H. Newberry, assistant secretary of the navy, whose recent political operations in Michigan have caused a sensation among the followers of the war secretary.

Mr. Newberry went to Michigan ostensibly to use his influence to get a delegation for Taft, but it is said that when he got there he forgot all about Mr. Taft and at once began advocating a solid Roosevelt delegation. The tension among the Taft followers, who want the president to make use of his command of clear, forcible English in killing the third-term idea, has reached such a high pitch that it is being rumored about Washington that the president and Taft are on the verge of an open break, which may lead to Taft's retirement from the cabinet.

NO SUSPENSION OF WESTINGHOUSE FACTORIES

Work Will Go Forward as Usual—Tone Improved at Pittsburg.

Pittsburg, Pa., Oct. 24.—The financial situation improved steadily today. A government deposit of $5,000,000 placed in local banks as a precautionary measure materially aided in restoring confidence in all quarters. The clearing house association announced that none of the banks had requested assistance. The employes of the Westinghouse companies were assurred today by the receivers that there would be no suspension of operations and the monthly wages were paid promptly. Taken as a whole, conditions here are spoken of as brighter and more substantial than during the weeks past.

EXCHANGE STILL CLOSED.

Pittsburg Financial Situation Is Under Perfect Control.

Pittsburg, Pa., Oct. 24.—As was expected the Pittsburg stock exchange remained closed today. Shortly before 10 o'clock the members were called together by C. J. Holman, who announced that the board of directors had decided to suspend trading for the day. In well informed circles it is believed the exchange will not resume until next Monday.

The local financial situation is in good shape and is under perfect control, according to statements made to the Associated Press by prominent bankers this morning. Without exception all say that yesterday's flurry has passed and that the situation at present is brighter than it has been for a week.

No Apparent Effect.

The suspension of the Iron City Trust company last night and the appointment of receivers by the United States court for the institution has had no apparent effect on the situation. At the headquarters of the company in the Westinghouse building, Pennsylvania avenue and Ninth street, there is no appearance of the failure. It is known that the Iron City Trust company was liquidating for the purpose of going out of business. When the embarrassment of the Westinghouse companies became public it was feared a run would be made on the trust company and it was decided to place the institution in the hands of a receiver. A man prominent in financial circles said this morning that he knew the trust company can pay $135 a share to stock holders.

Plants Will Not Suspend.

Unrest among the thousands of employes of the Westinghouse interests in Pittsburg and vicinity was allayed today by a statement from T. H. Given, president of the Farmers' Deposit National bank, who was yesterday appointed one of the receivers for the Westinghouse Electric and Manufacturing company. The report gained currency that the operations of the plants would be discontinued. Mr. Given assured them there was no truth in the report and announced the works will be operated as usual.

The $5,000,000 sent by Secretary Cortelyou to meet any possible demand for currency in making up this week's large payrolls was received today.

This money is now in three of the largest banks in Pittsburg and is ready for distribution to any bank in need of it. So far, however, no bank has indicated to the clearing house committee, through which the money will be distributed, that assistance is required.

LITTLE ALTON CASE SET FOR TRIAL JANUARY 6

Conviction Will Mean Another Big Fine for Standard Oil.

Chicago, Oct. 24.—What is known as the "Little Alton" case against the Standard Oil company of Indiana was today set for trial on January 6 by Judge Bethea of the United States district court. In this case the Standard Oil company of Indiana is charged with the practice of receiving rebates from the Chicago and Alton railroad for shipments over the Alton from Whiting, Ind., to East St. Louis, Ills., and St. Louis, after the change in the division of the northern (judicial) district of Illinois which occurred March 3, 1905.

The indictment which was returned last year, contains 134 counts and they are similar to the 1,462 counts of the indictment that resulted in the fine of $29,240,000 recently imposed by Judge Landis. Each offense, and there are 134 charged, is punishable by a maximum fine of $20,000. If the Standard Oil company is found guilty on all counts it will be subject to a fine of $2,680,000.

Bruce E. Thompson, late musician of the 34th coast artillery, discharged October 19th., has re-enlisted at the local United States Army recruiting station for general service at Columbus and after visiting friends at St. Johns, Mich., for a short time will leave for his station.

SPECIAL NO. 3.

GILT EDGE SHOE VALUES

For Friday and Saturday

GRASP THIS OPPORTUNITY

Hanan's, Boyden's and A. E. Nettleton's $5.00 $6.00 and $7.00 Shoes

THE STORE THAT QUALITY BUILT.

ALLOWED A PRISONER TO PASS SENTENCE ON HIMSELF

Judge Was Amazed When Accused Declared for Freedom.

Logansport, Ind., Oct. 24.—"I've fined you three times, yet here you are up before me again on the same charge," exclaimed Judge Smith, in police court yesterday, addressing Patrick Shea, who had been arraigned for intoxication."

"I don't know what to do with you," confessed the court.

Shea looked very penitent and shame-faced, shifting from one foot to the other.

"What will I do with you? I'll leave it to your judgment," said Smith, getting fatherly in his talk. "You have been before me four times now. Now tell me what I will do with you."

"Do you mean it, judge?" asked Shea, his face brightening into a full moon expression.

"I do," replied Smith, confident that the man was remorseful and ready to do penance.

"Well, then, let me go," exclaimed Shea with a bland smirk.

"But, but—" ejaculated Smith, sitting upright. "I—I— But then never mind. I'll keep my word. You may go, but never come up before me again on a charge of intoxication. I'll send you to jail for life."

Shea walked out of the court room the most surprised man in the city. He had fully expected to get eleven days and all day he fought shy of coppers, fearing that he had only dreamed that he had passed sentence on himself.

Mothers with little children need no longer fear croup, colds or whooping cough. Bees Laxative Cough Syrup tastes good. It works off the cold through the bowels, clears the head. Guaranteed. Sold by Meyer Bros. Co., 2 stores, 602, 902, 1424 Calhoun street.

AUBURN NEWS.

(Special Correspondence of The Sentinel.)

RETURNS TO HIS WIFE.

Mr. and Mrs. William McFarland Will Live Together Again.

Auburn, Ind., Oct. 24.—The case against William McFarland, accused of wife desertion, was before Judge Bratton Wednesday in the circuit court. Mrs. McFarland had arrived in the city and at a conference between her and her husband he agreed to reform his ways and promised to live with and support her and their child. On this promise, she consented to withdraw legal proceedings against him. This arrangement of the parties, through her attorney and States Attorney Smith, was presented to the court and the sentence against McFarland was suspended pending his fulfillment of the promise he made to Judge Bratton to quit his bad ways and live as a dutiful husband and father should do. With his wife and child, he went out of the court room to begin again their domestic life, which their friends hope will be a happy one.

MEAL TICKETS GO UP.

They Are Advanced from $3.50 to $4.00 a Week.

Auburn, Ind., Oct. 24.—The increased cost of about everything in the eating line has been felt in many a household in Auburn. The heads of families have felt this by the stronger pull on their pocketbooks. The housewife realizes it when she goes out on her everyday week shopping. The hotel-keeper and the restaurant man know it. This week Dan Herrick, who conducts the Herrick restaurant and hotel, concluded that to meet this advanced cost on eatables that he would have to increase the cost of meal tickets. Hence he has raised the price of meal tickets for a week from $3.50 to $4.00. This is for twenty-one tickets.

Ring's Dyspepsia Tablets do the work. Stomach trouble, dyspepsia, indigestion, bloating, etc., yield quickly. Two days' treatment free. Ask your druggist for a free trial. Sold by Meyer Bros. Co., 2 stores, 602, 902, 1424 Calhoun street.

The

need of money is often urgent. If, when you need it you can get it quickly and quietly it may prove of great

Value

to you. Our rates are figured out according to the cost of maintaining an equipment and methods whereby borrowers will be SURE

Of

receiving the best service at the lowest rates. We are constantly improving our methods and equipment for YOU and if YOU need

Money

we are ready to loan it to you quickly and privately on your household goods, horses and vehicles, pianos, fixtures, etc., etc.

We submit our weekly payment plan which gives you Fifty Weeks in which to pay off your loan:

LET WIFE SPEND CASH; HUSBAND'S DUTY TO EARN

Wisconsin Educator Says Woman Should Manage Family's Affairs.

Fond Du Lac, Wis., Oct. 24.—That the wife is the administrative officer of a family as a business organization, and the husband the provider of the funds to carry on the business, was the proposition advanced by Professor L. D. Harvey, formerly state superintendent of public instruction, now superintendent of the Stout Training school at Menominee, in an address on "Education for Girls in the Home" before the convention of the Wisconsin Federation of Woman's clubs yesterday afternoon.

In other words, it is man's business to earn the money for the family and the wife's to spend the money so as to secure the best results for the home.

Society has established professional and technical schools to teach man how to fulfill his mission as a provider, he said, but it has failed to recognize what an important factor woman is in the family and to provide technical schools for her training.

NOTICE TO CUR CUSTOMERS

We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug law: it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. Dreier & Bro.

SMALL BOY A SAFE ROBBER.

Nine-Year-Old Lad Charged With Stealing Money at Cicero.

Noblesville, Ind., Oct. 24.—Roy, aged 9 years, son of Marcus Bauchert, of Cicero, was arrested yesterday afternoon on the charge of larceny, brought to this city and placed in jail. The lad robbed the safe in the restaurant of Richards & Burroughs. He sat in front of the restaurant for several hours and waited until the waiters and proprietors were in a rear room preparing dinner. He then slipped into the front room, went behind the counter, unlocked the safe and placing the tin box containing $75 under his coat walked out. He was arrested four miles north of Noblesville, where he was waiting to catch an interurban car to Indianapolis. All of the money except $4 was found on his person. He had spent $4 for coal for his mother. The boy was released from the reform school at Plainfield five weeks ago.

Trial Catarrh treatments are being mailed out free, on request, by Dr. Shoop, Racine, Wis. These tests are proving to the people—without a penny's cost—the great value of this scientific prescription known to druggists everywhere as Dr. Shoop's Catarrh Remedy. Sold by all dealers.

PRESIDENT SAVES OLD TREE.

Roosevelt Orders Crittenden Peace Memento Preserved From Ax.

Washington, Oct. 24.—President Roosevelt has saved the life of a famous tree in Washington by telegraph. It is the "Crittenden Peace Tree," planted by John J. Crittenden in 1861.

General Oliver was going to cut it down to make room for a statue to General Grant. Citizens of Washington wired the president. Pausing a moment in his efforts to kill bears the president ordered the tree's life preserved.

Take DeWitt's Little Early Riser Pills. Sold by all druggists.

WARNER IN A REPLY TO COMPLAINTS FROM INDIANA

Pension Commissioner Says Law Must Pass on New Applications.

Washington, D. C., Oct. 24.—Writing to his newspaper, the Indianapolis Star, Louis Ludlow says:

Commissioner of Pensions Vespasian Warner today defended the pension bureau from the assaults made upon it by Indiana veterans who complain that there is unnecessary and unwarranted delay in granting service pensions under the law of February, 1907. The commissioner makes a vigorous denial of the charge and asserts that never before in its history has the pension bureau done as rapid and efficient work as it has been doing since the act of last February went into effect.

Replying particularly to a criticism of George H. Puntenney, a prominent veteran of Rushville, Ind., that the policy of the administration is to delay granting pensions "until the old soldiers are dead," Commissioner Warner explained the workings of the pension bureau as follows:

"Up to date we have received 370,000 applications under the act of last February and I believe the old veterans who are criticising us would be a bit more patient if they understood what a monumental task the bureau has before it in adjudicating so many claims. As the date of the pension under the new act goes back to the date when the application is filed I have taken extraordinary pains to assist the veterans in getting their applications filed at the earliest possible moment. When the act was passed on Feb. 6, 1907, I immediately had half a million blank applications printed. These were mailed in vast numbers to Grand Army posts and pension attorneys and were given in bulk to members of congress so that they could be put into the hands of the old soldiers all over the country just as soon as possible without any expense to them.

Applications Flood Office.

"The result was that the applications came into us literally by the wagon loads and, as I said, up to date we have received 370,000 applications under the February act. Each case is substantially a law suit, to be determined upon the law and evidence, and we are adjudicating them just as fast as we can.

"We have allowed pensions since the act was passed at the rate of over 1,000 per working day and we are now acting upon them at the rate of 1,600 a day and still they are coming in. This is better work than has been done in the pension bureau since it was established. We are adjudicating claims as fast as they could possibly be adjudicated and the old soldiers should be a little patient. They will lose nothing by the delay except the use of their money as their pensions will date from the day their applications come to the bureau, however long that may be.

Much Work Accomplished.

"We began adjudicating pensions within ten days after the February act was passed, while under the law of 1890 it was four months before the first certificate was issued. We have done more work with less force than at any time since the organization of the government and I expect that by March 1, 1908, all of the claims under the new law will have been disposed of. I wish to thank the Star for its very just defense of the pension bureau."

It is explained by the commissioner that claims are not taken up and adjudicated in the order of priority in which they are filed, as to do so would require a sorting process that would make it impossible to grant more than 200 or 300 a day, instead of 1,600. This may account for the fact that some of the claims first filed have not been acted upon, while other claimants who sent in their applications at later date, are enjoying their pensions.

Want Money for Statue.

The commission appointed by Governor Hanly to supervise the erection of a statue to Gen. Lew Wallace in Statuary hall is confronted by a serious obstacle. The legislature appropriated for this work $5,000 and the amount is inadequate so that unless a sculptor can be found who is willing to do the work for love of his art the statue is almost certain to afford a sorry comparison with the other more costly statues that adorn the nation's Hall of Fame.

A statue made of Italian marble would cost in the neighborhood of $10,000. It might be possible to provide a bronze statue within the appropriation, but bronze as a material for commemorating dead heroes in the Hall of Fame is very much in disfavor.

There are thirty-four statues in the hall and only six of them are of bronze. Art critics, who visit the chamber from all over the world, as a rule, give very scant approval to the bronze statuary. Whether the statue shall represent Gen. Wallace in the garb of a military commander or as an author is another point of difference.

RULES FOR EX-TREASURER.

Court Decides Fayette County Officer Entitled to Interest on Deposits.

Connersville, Ind., Oct. 24.—In the case against F. R. Beeson, ex-county treasurer of Fayette county, for alleged interest secured on deposits and loans, Judge Noah Given, of Lawrenceburg, sitting as special judge, has ruled that county treasurers are not liable for interest on bank deposits prior to the depository law. Judge Gray of the Fayette circuit court had overruled the defendant's demurrer on the complaint.

The county had filed suit against Beeson for $7,000 alleged to have been collected by him as interest on county money while he was treasurer. This is the opinion of Judge Given in the matter submitted to him, but does not necessarily remove the case from the local court. It is understood that the plaintiff will continue to push the case to a finished conclusion.

ENDS CAREER IN POOR HOUSE.

Once Leading Physician Chooses Infirmary as Last Refuge.

Jeffersonville, Ind., Oct. 24.—Having no other refuge Dr. Sidney C. McClure, formerly one of the brightest physicians in southern Indiana, consented to go to the poorhouse rather than the county jail. Drink has been the man's undoing.

Dr. McClure was famed for his skill as an oculist and aurist and is the only living representative of a family of doctors, father and three brothers. The father was not only an eminent physician, but served many years in the Indiana legislature.

GROOM FAILS TO COME AND WEDDING IS DECLARED OFF

Marion Girl, Attired in Bridal Finery, Deserted at Altar.

Marion, Ind., Oct. 24.—Joseph Woomer, 24 years old, whose marriage to Miss Anna Clouse, a young woman prominent in society, was set for yesterday at high noon, has been mysteriously missing since Sunday, but the deserted bride, hopeful that he would return in time for the ceremony, carefully guarded her secret until the guests began to arrive. Then the simple announcement was made that the wedding had been postponed, but the marriage will never take place unless Woomer is able to make satisfactory explanations when found.

Numerous handsome gifts were sent to the couple; the wedding dinner was prepared; the Clouse home, where the ceremony was to take place, was elaborately decorated, and Miss Clouse, confident that her lover would arrive in time to carry out their arrangement, waited in the gown planned for her wedding until within an hour of the time set for the ceremony. Haste was made to notify the minister and singers not to come, and then, contrary to what Woomer had told his financee, it was learned that they had not been engaged.

Brother Is Puzzled.

Among the persons who came to attend the wedding was Alfred Woomer, of Pittsburg, a brother of the missing man. He had received no intimation that his brother was gone and he is unable to offer an explanation. Miss Clouse last saw Woomer Sunday night. He told her that he had a business engagement Monday, but that he would accompany the minister to her home Tuesday afternoon to rehearse the ceremony that was later to make them man and wife. Neither Woomer nor the minister came at the appointed time. Miss Clouse became uneasy, but she still had confidence in Woomer until the very hour of the wedding.

Miss Clouse is a daughter of Joseph Clouse, a well-known carriage manufacturer residing on South Gallatin street. She is popular in younger society circles. Woomer's parents live at Clearfield, Pa., but for three years he has resided in Marion, where he was employed in the office of the Pittsburg and Columbia Gas and Oil company. No plausible reason is known for his disappearance. His most intimate friends were given no intimation of his intentions.

WOMAN IS SENT TO JAIL.

Mrs. Egers Guilty of Contempt of Court in Kurtz Case.

South Bend, Ind., Oct. 24.—Declaring that she feared nervousness if she obeyed a subpoena to appear in the circuit court to testify in the Kurtz disbarment proceedings finished last week, Mrs. Carrie Egers asked for clemency when arraigned in the circuit court yesterday for contempt of court. Judge Vail found her guilty and sentenced her to jail for sixty days and fined her $25. She has for several years been an interpreter in the local courts.

MONROEVILLE WON NEXT J. O. U. A. M. STATE CONVENTION

Fraternity Completes Work at Marion by Electing Officers.

Marion, Ind., Oct. 24.—The state convention of the Junior Order United American Mechanics closed its convention in this city yesterday with the selection of Monroeville as the next place of meeting and the election of officers as follows:

Junior past state councilor, William Thompson, Dunkirk; state councilor, J. N. Kerner, Marion; state vice councilor, Fred Ulrich, Lawrenceburg; treasurer, W. B. Miller, Portland; conductor, X. C. Sparks, Terre Haute; warden, Ernest Loy, Upland; inside sentinel, C. B. Carruthers, Shelburne; outside sentinel, I. H. Adams, Jonesboro; chaplain, J. D. Friedline, Monroeville.

The Daughters of America also closed their state convention by electing officers as follows: State councilor, Viola Kuhner, Muncie; associate state councilor, Arra Hall, Newcastle; state vice councilor, Belle Grindle, Marion; warden, Ella Colwell, Terre Haute; conductor, Caroline Cartwright, Newcastle; inside sentinel, Sadie Hurler, Lawrenceburg; representative to the national council, Henrietta Jones, of Terre Haute.

STUDENTS SAVE POTATO CROP.

Lay Aside Books and Answer Farmers' Cry for Help.

Laporte, Ind., Oct. 24.—Potatoes—just common, everyday "spuds"—chocked the wheels of education in New Durham township this week and as a result books were laid aside and the student body summoned to the fields to help save the potato crop, which was rotting in the ground.

Farmers went to the school authorities and asked for assistance in harvesting the mammoth crop. The work had to be done immediately, if not, thousands of bushels of potatoes would be lost. The school officials rose to the situation and several hundred students donned jumpers and overalls and went to the fields. The bumper crop has just been harvested and the schools will now reopen.

MAGAZINE SUED FOR DAMAGES.

Made Defendant in Suit for $100,000 by Ex-Police Commissioner.

San Francisco, Cal., Oct. 24.—Former Police Commissioner Thomas F. Reagan began suit in the United States circuit court for $100,000 damages against the S. S. McClure company yesterday and for a like sum against the San Francisco News company in the superior court of Marion county for defamation of character.

Reagan based his suit on articles published in the September issue of the McClure Magazine entitled "A Fight for Reform in San Francisco," in which he is charged with having divided graft with Eugene E. Schmitz.

"MARCONIGRAMS" FLY RAPIDLY.

Sent to Ireland and Reply Is Received in Five Minutes at Public Test.

Glace Bay, C. B., Oct. 24.—At a public demonstration given at the Marconi wireless telegraph station yesterday a message was sent from here to Clifden, Ireland, and a reply was received in five minutes.

Independent persons were stationed at both ends and the accuracy of the test was confirmed by cable. Mr. Marconi states that the local station is transmitting about 3,000 words a day to Ireland.

NEW CURE FOR RUPTURE

New Scientific Appliance, Always a Perfect Fit—Adjustable to Any Sized Person—Easy, Comfortable, Never Slips, No Obnoxious Springs or Pads—Costs Less Than Many Common Trusses—Made for Men, Women or Children.

I Send It on Approval—You Wear It—If You Are Not Satisfied, I Refund Your Money.

I have invented a rupture appliance that I can safely say, by 30 years' experience in the rupture business, is the only one that will absolutely hold the rupture and never slip and yet is cool, comfortable, conforms to every movement of the body without chafing or hurting and costs less than many ordinary trusses. I have put the price so low that any

Jas. Britton, Cured of Rupture by Brooks.

person, rich or poor, can buy, and I absolutely guarantee it. I make it to your order—send it to you—you wear it, and if it don't satisfy you send it back to me and I will refund your money. That is the fairest proposition ever made by a rupture specialist. The banks or any responsible citizen in Marshall will tell you that is the way I do business—always absolutely on the square.

Here is what Mr. Jas. Britton, a prominent manufacturer of Bethlehem, Pa., writes:

"C. E. Brooks, Esq. Dear Sir: I have been ruptured six years and have always had trouble with it till I got your appliance. It is very easy to wear, fits neat and snug, and is not in the way at any time, day or night. In fact at times I did not know I had it on. It just adapted itself to the shape of the body and clung to the spot no matter what position I was in. It would be a veritable Godsend to the unfortunate who suffer from rupture. If all could procure the Brooks Rupture Appliance and wear it. They certainly would never regret it. My rupture is all healed up and nothing ever did it but your appliance. Jas. Britton."

If you have tried most everything else, come to me. Where others fail is where I have my greatest success. Write me today and I will send you my book on Rupture and its Cure, showing my appliance and giving you prices and names of people who have tried it and been cured. It is an instant relief when all others fail. Remember I use no salves, no harness, no lies. Just a straight business deal at a reasonable price.

C. E. Brooks, 5310 Brooks Bldg., Marshall, Mich.

Mr. Bryan As He Addressed the Wire Strikers in New York

Wm J. BRYAN ADDRESSING TELEGRAPHERS IN CLINTON HALL.

New York, October 24.—William Jennings Bryan condemned private industrial monopolies and advocated arbitration in an address before a large assemblage of striking telegraphers and their friends in Clinton hall. Incidentally he paraphrased the saying of Solomon. "The wise man seeth evil and hideth himself, but the foolish pass on and are punished." Mr. Bryan said that his revised version of this proverb read: "The wise man gets the idea into his head, the foolish man in the neck."

"I say," he said, "that God never made a man good enough to stand at the head of a private monopoly. A man at the head of a private monopoly is judge and jury in his own case. He grinds the producer and he grinds the employe and then he charges what price he pleases. Human nature is too frail to be intrusted with such power.

"When power is unlimited there is no limit to the selfishness of the man who may be called upon to exercise it. The man at the head of a private monopoly does things for his stockholders that he would never do for himself, and now that the intimate relations between employer and employe have been destroyed and corporations employ men by the thousands, none of whom is known to the stockholders in the corporation, there is needed some tribunal which will administer justice between these employers and the employes.

"I favor state and national tribunals of arbitration. I do not believe that in this country compulsory arbitration in the sense of being able to enforce its decrees is possible. But as a guide to the formation of public opinion arbitration in necessary.

"I believe that ninety-nine cases out of a hundred submitted to arbitration would be settled to the satisfaction of everybody concerned. The public is the great third party in your strike, as it is in all strikes, and arbitration would save the public a great deal of money and a vast amount of inconvenience.

"I believe that in a few years we will look back at this generation and pity it because of its folly of using the methods it does to settle labor disputs. I regard it as a disgrace to civilization that in order to get justice from his employer a man must starve his wife and children in a strike.

"Even though disputes are settled in strikes ill feeling remains. Arbitration is the only method of settling disputes which leaves both parties to the dispute friends when that dispute is over. Government by injunction, to which I am unalterably opposed, would never be thought of if we had universal arbitration of labor disputes.

"For eleven years I have been working in favor of a law which in these cases of government by injunction will insure trial by jury for any man who is charged with contempt of court in violating an injuction. I regard the right of trial by jury as a sacred right and hope to see it extended to these contempt cases as it is now thrown around anybody accused of crime."

Northern Indiana News and Gossip

John Logan, a pioneer resident of Wabash county, is dead at his home in Lafontaine, at the age of 78 years.

Constable David James, of Troy township, Whitley county, has resigned, declaring the job a thankless one.

Harry Kastner, Adams Express agent at Warsaw, has been made Elkhart agent of the American Express company.

Loren Cole, charged with having broken into a secondhand store at Butler, was sent to jail for sixty days and fined $1 and costs.

George Studebaker, of Bluffton, was kicked by a horse Tuesday and seriously hurt. His knee cap is said to have been completely shattered.

Mrs. Anna Boyd, an aged colored woman at Marion, was crushed to death beneath the wheels of a train while she was picking up coal along the railroad tracks.

The Ashley flouring mills, owned by George Huber, were partially destroyed by fire Tuesday. A large part of the machinery was saved, though it is considerably damaged.

Mr. Thomas, of Tippecanoe, Kosciusko county, came near dying when a chicken bone lodged in his throat at dinner. Prompt efforts of a physician averted strangulation.

While walking about the Laymow in his barn west of Leesburg, T. G. Berst, a pioneer settler of Kosciusko county, fell through an opening in the floor and received injuries which it is feared will result in his death.

The Indiana appellate court has decided a suit which was sent from Huntington county on a change of venue to Miami county, the demand being $6,500 damages. The case was that of Charles Page, a Roanoke man, against the Fort Wayne Cooperage company operating a plant at Roanoke. About three years ago, Page, living near Roanoke, was driving on the road east from Roanoke to the Wabash station. In passing the plant of the Cooperage company his horse scared at steam escaping from an exhaust pipe of the plant and ran away, dashing Page and his buggy against a tree. Page sustained the fracture of both legs and numerous other injuries. He was badly crippled by the accident and his rig demolished. Suit was brought and a change of venue to Miami county was taken, where a judgment was secured and affirmed by the appellate court.

CANNOT RECOVER CASH.

Ellis Shortage at Goshen Will Never Be Made Good.

Goshen, Ind., Oct. 24.—It is now admitted by county officials that Elkhart county is not likely to recover a cent on the $1,500 theft of ex-County Superintendent of Schools Ellis, who was sent to Michigan City prison for a term of from 1 to fourteen years, after he had pleaded guilty to grand larceny. The authorities are puzzled as to whom to sue to recover the money taken by Ellis. He having served without bond leaves them helpless, unless they try to recover from him personally, which will be an entirely useless proceeding.

Ellis shows signs of great mental distress since his confession. He has aged ten years in two weeks and a complete physical breakdown is feared for him.

He could not continue a fugitive from justice, so as a last resort he surrendered himself asking for mercy at the hands of the court. Contrary to expectations, Ellis has not implicated any others in the theft with him. He refuses to say a word as to whether he had any help in his thieving plan against the county.

How he managed to get fake bills through the county auditor's office monthly for nearly two years is past the understanding of the authorities.

Ellis' son, W. Clare Ellis, who is a deputy in the auditor's office, stood by his father until he took the train for prison. The son has now gone to Napoleon, O. He was a candidate at the last convention for the nomination for auditor and his father's downfall has wrecked his political hopes. There is a movement on foot to hold the county auditor and the county commissioners responsible for Ellis having no bond.

DeWitt's Carbolized Witch Hazel Salve is good for little burns and big burns, small scratches or bruises and big ones. Sold by all druggists.

English capitalists and Japanese manufacturers have organized a trust to control the Japanese match output. The trust, which will be capitalized at between $2,500,000 and $5,000,000, to be equally subscribed by the Japanese and the English, will also include the smaller factories. One of the aims of the trust will be to extend the market for Japanese matches into Europe and Australia.

Amusements—Temple theater, vaudeville.

It is said that both candidates for governor of Tennessee are red-headed, but they were that way before they began talking about each other.

We are reminded that there will be another Thaw trial by the fact that the noted "dementia Americana" victim is again having trouble with the lawyers.

One of the first decisions of that Michigan constitutional revision committee was against the taking of their seats by chance. With the machine crowd in command there would probably be no chance.

Mr. Rockefeller might take some interest in airship stock if he could be convinced that he could take Judge Landis, Inquisitor Kellogg and President Roosevelt up in a ship and drop them into the Pacific.

The steeple jack who climbed the flag-staff of the Singer building in New York to a height of 703 feet, declares that the air was fine and bracing up there and that he got a magnificent view of surrounding country for a distance of seventy-five miles. In all this enjoyment he is conceded a willing and exclusive monopoly.

When two such men as John Sharp Williams and Theodore Roosevelt, both statesmen, both learned men and true—when two such men as they stand upon common territory and make speeches the same day, and compliment and felicitate each other and the respective section from which each comes, it ought to convince every one that there is no longer any south or any north, but a great, united country.

Undoubtedly the fact that Secretary Taft is Mr. Roosevelt's choice for the next republican nomination, while helpful to him in some respects, is an element of weakness. The statement that a man is another man's man does not ordinarily impress one with the idea that he is a very strong character. Strong men are not other men's men. Opponents both of Mr. Taft and of the president have made the most of this fact in connection with the Taft candidacy, and those who are opposed to the Roosevelt policies have also used it to spread abroad an impression hurtful to the candidate chosen to carry those policies on after Mr. Roosevelt himself retires.

By a recent order of the secretary of the interior, 2,980,000 acres of land has recently been opened for settlement, only about fifty miles south of the Arctic circle. This land has been held in reserve for a national forest around Norton bay, but the project was abandoned, so many were the demands for entry on land which had been found more suitable for settlement, says the Epitomist. The rush to Alaska last spring overwhelmed steamship accommodations and filled up the wharves at Seattle with household freight, but the order of the secretary is expected to prolong the rush up to the approach of winter. Agriculture in Alaska is proceeding hand in hand with the efforts of the government experiment stations which are constantly determining what will grow there which heretofore has been considered unsuitable either to the soil or the climate. So far, all the hardier vegetables have been made to thrive and in the large valleys of the interior experiments are being made, with every prospect of success, to grow hay, grain and stock feed capable of maintaining work animals.

The information contained in a recent report of the census office that the total wealth of the United States surpasses by far that of any other country probably will surprise no one. The people of this country have grown accustomed to hearing, in a general way, of the enormous wealth of the United States. The figures, however, have a keen interest and though the census reports bring the returns down only to 1904, it is not difficult, having in mind the great activity of recent years, to estimate present conditions. The total wealth in 1904 was placed at about $107,000,000,000, as compared with $88,000,000,000 in 1900. The per capita wealth is now estimated at $1318, and the annual per capita increase is said to be not far from $40 annually. This means a total annual increase of about $35,000,000,000. Real property and improvements form the largest proportion of the wealth, manufactured products come next, and then follow, in the order named, railways, street railways, live stock and farm implements, manufacturing machinery and gold and silver bullion. While wealth has been increasing there has been a steady decrease in the national debt, but an increase in municipal debt, the latter due in part to extensive improvements and in part to reckless and improvident municipal management.

PLAN DISTRICT CONVENTION.

United Brethren Delegates to Convene at Winona October 29 to 31.

Warsaw, Ind., Oct. 24.—Final arrangements for the annual meeting of the Central Bishops' Conference and School of Methodists of the United Brethren church, which will be held at Winona Lake, October 29 to 31, were completed today. John Balcom Shaw, of Chicago, and other prominent men will participate.

The district comprises Minnesota, Wisconsin, Illinois, Michigan, Indiana and northwestern Ohio. In the district are 800 ministers and 94,000 communicants. The conference will be composed of bishops, presiding elders, pastors and one layman from each charge. The general topic of the conference is "Developing the Local Church."

Messrs. Harland and Wolff, shipbuilders of Belfast, Ireland, are to launch next month a new bow portion for the White Star liner Suevic, which ran ashore near the Lizard, on the Cornwall coast. A good two-thirds of the vessel was saved and taken to Southampton for repair. Now the new bow which has been built for her is to be towed round from Belfast to Southampton, and the ship is to be rendered once more complete.

PRESIDENT HOME SAYS WHOLE TOUR WAS DELIGHTFUL

Was Deeply Gratified by His Reception in Southland.

Washington, Oct. 24.—President Roosevelt reached the white house from his southern trip yesterday afternoon. His special train came in over the Southern railway at 4 o'clock, exactly on schedule. The trip from Lynchburg, where the last speech was delivered, was without incident, the president spending the time in reading and conversing with friends.

To those who met him at the station it was noticeable that he had added several deeper shades to the bronze countenance acquired during the summer months at Oyster Bay. The president took no pains to conceal his delight at getting home, and was markedly cordial in his greeting to those who had gathered in the train shed to meet him, among whom were General Oliver acting secretary of war; Captain Fitzhugh Lee and Captain Key, military and naval aids, respectively, to the president, and Chief Wilkie of the secret service and others. With the greetings over, the president stepped into his carriage and was driven at once to the white house.

Pleased With Trip.

The president expressed himself as thoroughly pleased with his trip.

"I have had a delightful time," he said. "I am extremely gratified over the fact that I got a bear as the result of my hunt, and none the less so that I had to work twelve days to get it. For the rest, I was touched and gratified beyond measure by the reception I received in the south; indeed at every place, both north and south, beginning with Keokuk and continuing until the end of the journey. The entire twenty-four days have been full of both profit and pleasure, and I am very glad I made the trip."

The president denied that he has any other hunting trip in contemplation, and said the announcement that he is going to hunt in North Carolina was entirely unauthorized.

The president refused to discuss the question of fusion in New York, but he let it be known that the step was taken without his knowledge. During his journey, beginning on September 29, the president has visited eleven states.

Probably the most important development of an industrial nature which the trip produced is to be found in the fact that, without committing himself to any industrial scheme, the president has placed himself at the head of the movement for a ship channel in the Mississippi valley and taken the position that it is a work of national importance and should be fostered by the federal government.

PROSECUTOR DROPS DEPUTY

Dissatisfied, It Is Said, Over Assistant's Zeal, Miller Uses Ax.

Laporte, Ind., Oct. 24.—A political sensation was caused here yesterday by the dismissal of Frederick R. Liddell as deputy prosecuting attorney. State's Attorney Miller, who is alleged to have become dissatisfied with Liddell because of the latter's unrelenting prosecution of saloonkeepers, dismissed his assistant over the telephone.

Liddell issued a statement which conveys the understanding that his removal was due to his disposition to enforce the law. It is understood that Miller will again be a candidate and that Liddell will also enter the race.

WILL HAVE 296 COMMITTEES.

Michigan Constitutional Convention Perfects Organization Slowly.

Lansing, Mich., Oct. 24.—A committee of twelve appointed to arrange the order of business and prepare rules for the constitutional convention held several sessions and reported to the convention yesterday afternoon, recommending that a subcommittee be delegated to prepare convention rules, pending which the rules of the house of the legislature be adopted. One of the house rules requiring a two-third vote to suspend or altar the rules was amended so as to provide for a majority vote of the delegates. This change was considered important, as indicating a desire on the part of the convention to permit of majority rule.

A committee on appointments was recommended and the number of standing committees fixed at 296.

The convention adjourned until Tuesday.

FEDERAL COURT POWER DENIED

Minnesota to Urge Right of State in Highest Tribunal.

Washington, Oct. 24.—Minnesota will appear in the supreme court of the United States probably on Friday with a motion that will attract wide attention and bring a decision of great importance. George T. Simpson, assistant attorney general of that state, and Thomas D. O'Brien, special counsel, will ask the highest court for a writ of habeas corpus releasing from arrest the attorney general of Minnesota, who is now held in contempt by Judge Lochren, of a federal court, for having filed in the state court a suit for a writ of mandamus directed against the officers of the Northern Pacific after Judge Lochren had granted a temporary injunction restraining the attorney general from instituting any suit to enforce the tariff on commodities as fixed by the legislature. They will urge that the original injunction is in effect a suit against the state and that under the constitution a state cannot be sued. The question of the jurisdiction of the federal courts to nullify the acts of a state legislature is the principal question at issue.

SHAKE HANDS IN JAIL CELL.

Gaddis Greets Man He Accused in Whitecapping Plot.

Bloomington, Ind., Oct. 24.—James Gilham, the grocery merchant of Victory, was released from jail last night after a bond for $500 had been fixed before Judge Wilson.

Gilham was locked up at noon yesterday on a warrant sworn to by Tobias Gaddis, charging him with being one of the men in the whitecap gang that raided the home of Gaddis. As Gilham entered the cell at the jail he was met by Gaddis, who held out his hand and said, "Hello, Jim." Gilham shook hands in a friendly way with the man who was responsible for his imprisonment. Gilham says he is not guilty. He is a bachelor and lives in the rear of his store.

Previous to June 30, when Gilham opened the store, he was employed in the Antioch coal mine in Green county. Dr. L. T. Lowder, of this city, who furnished the bonds says that Gilham is of a good family. The grand jury will investigate Gilham's case.

CRY AGAINST CONVICT LABOR.

Broommakers Hold Mass Meeting at Evansville to Form Union.

Evansville, Ind., Oct. 24.—The broommakers and manufacturers of the city held a mass meeting last night to protest against the manufacture of brooms in Jeffersonville reformatory. The mass meeting is the direct result of a speech made in Trinity M. E. church here last Sunday by Governor Hanly, who asked that the township, city and county officers patronize the prison factory. He also stated that the convict workers made the best brooms in the world. The meeting last night will result in the formation of a Broommakers' union.

Heart Troubles

The heart may be weak just the same as the eyes, stomach or other organs. It often happens that a person is born with a weak heart. Then again disease, fevers, over-exertion, anxiety, nervousness, rheumatism, etc. weaken the heart. The result is shortness of breath, palpitation, pain in the heart, or in some of the nerves of the chest or abdomen. The heart should be strengthened with a tonic, and for this nothing equals Dr. Miles' Heart Cure.

"I had LaGrippe last fall as I thought in a mild form. I was weak, tired feeling, and short of breath; could hardly go about, and a good deal of the time sort of an asthmatic breathing and extremely nervous. I began taking Dr. Miles' Heart Cure and Nervine and now I feel so much better in every way. I am so thankful that I began taking this medicine, and shall not hesitate to tell others how much good it has done me."

MRS. F. J. NORTON, Freeville, New York.

Your druggist sells Dr. Miles' Heart Cure, and we authorize him to return price of first bottle (only) if it fails to benefit you.

Miles Medical Co., Elkhart, Ind

BECOMING A MOTHER

Is an ordeal which all women approach with indescribable fear, for nothing compares with the pain and horror of child-birth. The thought of the suffering and danger in store for her, robs the expectant mother of all pleasant anticipations of the coming event, and casts over her a shadow of gloom which cannot be shaken off. Thousands of women have found that the use of Mother's Friend during pregnancy robs confinement of all pain and danger, and insures safety to life of mother and child. This scientific liniment is a god-send to all women at the time of their most critical trial. Not only does Mother's Friend carry women safely through the perils of child-birth, but its use gently prepares the system for the coming event, prevents "morning sickness," and other discomforts of this period. Sold by all druggists at $1.00 per bottle. Book containing valuable information free.

Twenty-Five Years Ago

What The Sentinel Had to Say About Persons and Events Twenty-Five Years Ago.

Dr. W. J. McConnell, a rising young physician, died from paralysis.

The Ridotto club gives a ball in Odd Fellows' hall Wednesday evening.

Fort Wayne is waking its suburbs up. Even Toledo has organized a base ball club.

Rev. Charles Little, of Wabash, was in the city last evening, the guest of Rev. W. H. McFarland at the Aveline.

John M. Kuhns left this morning for Rock Run, Ala., where he will be employed by the Bass Furnace company.

An enormous crowd is at Swinney park today witnessing the ball game between the Chicago and Providence clubs, which arrived over the Nickel Plate.

Jay Phillips and Harry Hammill engaged the services of a colored banjo performer last night and danced Virginia reels for $2 a side.

Deputy Marshal Patton this morning had to clear Calhoun street near Main of the blockade of teams. Farmers should be obliged to have their stands elsewhere.

Bishop's school house in Madison township was the scene of a big democratic gathering last night. Hon. J. D. Sarnighausen and T. E. Ellison addressed the meeting.

Prof. Gerhardt Lochs, the new director of the Arion society, has arrived from Chicago. A reception will be tendered him shortly in the society's hall in the Ewing block.

The supply depot of the Wabash at Andrews, part of which is occupied by Frank Casso as a restaurant, burned Saturday night. The fire originated from a gasoline lamp, and the building was valued at $1,000.

Princess Clark, the vocalist, with a supporting company of musical students of the M. E. college, have started on tour for three weeks. They open at Montpelier, and Prof. J. F. Kinsey is manager of the party.

Short Talks by Eyesight Specialist Chas. A. Meigs

BEING THE FIRST OF A SERIES ON EYES, THEIR CARE AND GLASSES, WHICH IT IS HOPED WILL BE OF HELP AND INTEREST TO YOU.

IF YOUR EYES hurt, pain, or you don't see clearly, it is a pretty sure indication there's something wrong.

Close your eyes a moment, shut out the sunlight and the faces of those you love, then imagine your condition if permanently deprived of eyesight.

Eyes are among the few human organs that cannot be artificially replaced or done without.

EYESIGHT WHEN NEGLECTED TO A CERTAIN POINT CAN NEVER BE RETRIEVED. The teeth when neglected can be replaced with a fairly satisfactory substitute. Even tho few abuse their eyes to the point of becoming blind, many doom themselves to discomfort and a limited working capacity for the balance of their days.

Headaches, nervousness, dizziness—all can come from eye defects.

PERHAPS YOURS DO.

If you are having trouble there is no use in remaining in doubt through fear glasses will not help you.

I MAKE NO CHARGE FOR EXAMINING EYES.

MY GLASSES ARE GUARANTEED TO CURE AND HELP AS I SAY THEY WILL OR YOUR MONEY IS REFUNDED.

I HAVE MY OWN FACTORY FOR GRINDING LENSES, WHICH ASSURES YOU A MINIMUM COST.

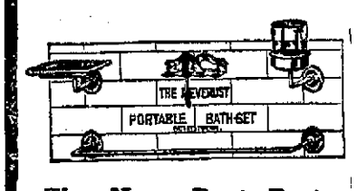

GLASSES FROM $1.00 UP.

EMMA GOLDMAN'S WRATH RUNNING RIOT IN ENGLAND

High Priestess of Anarchy Hurls Mud Darts at Everybody.

London, Oct. 24.—Emma Goldman, high priestess of anarchy, is enjoying her stay in England to the utmost. It is affording her an opportunity to open her mouth and exercise her lungs such as she has not had in the United States for many a long day. And of this opportunity she is making the most, attacking everybody and everything under the sun.

With a promising beginning in London, where she addressed a meeting disappointing in its size and enthusiasm, Miss Goldman is making a three months' tour of England, speaking in all the larger cities, such as Manchester, Liverpool, Leeds and Plymouth, and in addition is studying conditions in England, which she calls "the home of anarchy."

Miss Goldman has made capital out of the Haywood trial, and the success, as she calls it, of the Western Federation of Miners. Haywood was acquitted, Miss Goldman tells her English hearers, not because the judge or the jurymen were any better than the judges or the jurymen in any other part of the United States, but because the men of the Western Federation of Miners understood the use of dynamite and knew when and where to use it.

Her Idea of Unions Here.

It was fear in the hearts of the judge and the jurymen that set Haywood free, according to Miss Goldman. Haywood's acquittal, she says, marks the turning point in trades unionism in the United States, as henceforth the unions would emulate the example of the Western Federation of Miners, which took the law into its own hands.

Miss Goldman also is telling her English hearers about the anarchists executed in Chicago in 1887, and she draws a disparaging comparison between these men and Samuel Gompers, president of the American Federation of Labor, and John Mitchell, president of the mine workers' union, who, she says, will never risk their lives for their convictions, because they haven't any convictions.

The majority of the poor workmen in the United States, says Miss Goldman, do not want to be president because the office cannot be reached except by a life of machinations, trickery and deceit; and they do not want to be millionaires because, she says, they know it is easy to do so if one knows how to steal.

Attack Roosevelt in Vain.

President Roosevelt she pictures as a man consumed by a desire to become famous and who is trying to imitate Kaiser William of Germany, "who some people say," declares Miss Goldman, "is not quite right in the head."

A remarkable thing about her meetings is the fact that she has been unable upon any occasion to get a demonstration of sympathy from her audience in her attacks upon President Roosevelt. When she attacks the kaiser or the "bloody czar" she arouses great enthusiasm, but her remarks about President Roosevelt are received in silence.

FINE EXHIBIT.

The People's Store has just received their fine imported line of plain white Haviland, Austrian and Bavarian China. To those who are looking for plain white china for hand painting purposes, this imported selection will be found to fill every want for that class of work. The very peculiar clay properties contained in this china, makes it the ideal kind for hand painted work, as it fires perfectly, will not blister, and comes out of the kiln with a finish that is eminently satisfactory in every respect. The assortment being shown at The People's Store is extremely complete, consisting of small individual salts, egg-shape and fancy shape salt and peppers, hat pin holders, candle sticks, punch bowl cups in two sizes, hair receivers, cream and sugars, shaving mugs, rose bowls in all sizes, bon-bon dishes, tobacco jars, cracker bowls, rose bowls with feet, fern dishes in all sizes, nut bowls, vases of all styles, sizes and shapes, card and pin trays, bone dishes, jewel boxes, cups and saucers, cake plates, and a very large assortment of other useful pieces, that, whether painted or not, will make very appropriate holiday gifts. Those who wish china for painting purposes would do well to make their selection now, or as soon as possible, while the assortment is at its best. The prices will be found extremely moderate and the assortment extensive enough to satisfy the most critical. You will profit by making an early inspection of this splendid imported line.

24-3t THE PEOPLE'S STORE.

NEW COURSE IS ADDED.

Cathedral Boys' School to Prepare Students for College.

A most satisfactory and appreciated innovation in the curriculum of studies at the Cathedral Boys' school in this city has recently been made. It is the inauguration of a high school course preparatory to entrance into college. Heretofore a commercial course and only a limited number of high school studies completed the scholastic course at the Boys' school; but the growing demand for all the studies of a high school department has been recognized and at present besides the large number of students pursuing the commercial branches, ten young men are preparing themselves for college. The high school is under the capable direction of the superior, Brother Lucian, C. S. C., and is making most commendable progress.

LABORERS IN A COLLISION.

Seventeen Out of Twenty-Five Hungarians More or Less Injured.

South Bend, Ind., Oct. 24.—Seventeen out of twenty-five Hungarian laborers were injured, three of them perhaps fatally, in a collision on a spur of the Chicago, Lake Shore & South Bend railway company, west of the Winkler Wagon factory, this city. The Hungarians, who are employed in the construction work of the proposed electric line, were riding in a car drawn by an engine, which was backing into the city when it collided with freight cars, which had been switched on the track. The result was frightful, men being thrown in all directions and buried underneath the wreckage of the demolished cars. The most seriously injured were brought to local hospitals.

WARNS AGAINST MANY GROWING EVILS OF TODAY

Mission Sermon by Rev. P. J. MacCorry at the Cathedral.

Last evening at the Cathedral, before one of the largest audiences of the week, Father MacCorry delivered another of his eloquent and masterly sermons. The evening service was opened by Father Sullivan with a dogmatic instruction on "The Marks of the Church." This instruction was the third of a series Father Sullivan has delivered on "The Church" and was heard with intense interest by the many attending.

REV. P. J. MACCORRY, C. S. P.,

Eloquent Paulist Now Giving Mission Sermons at Cathedral.

Growing Evils of the Day.

Taking for his text "For he who loveth the danger shall perish therein," Father MacCorry, with marvelous oratorical power dwelt upon the growing evils of the day, particularly the evils of bad companionship, social impurity, immoral literature, the abuses of company-keeping and the folly of marrying a man with the hope of reforming him.

"I have always admired," said the speaker in beginning his discourse, "the wisdom of a certain disciple of Plato. The story is told that he was shipwrecked at sea and almost drowned. Drifting into shore on the fragments of the wreckage he was tossed upon the beach unconscious and when consciousness returned he went to his mansion, which overlooked the sea, and employed mechanics to wall up all the windows facing upon the waters, lest perhaps some day when the waves were tranquil he would be tempted to again brave the dangers of the deep.

"We come before you tonight to ask you to wall up all the windows in your soul facting upon the sea of the occasions of sin, the great and growing evils of the day. To shun studiously, earnestly and religiously those persons, places and things that lead you into sin, that have almost been the cause of your eternal damnation.

Bad Companionship.

"Wall up all the windows on the sea of bad companionship. Be not unmindful of the serious consequences of keeping bad company. No man or woman goes to destruction alone, they almost invariably drag some one else down with them. 'It was evil companionship that brought me here,' said a youth I saw one day in court, when the judge permitted him to say a word in his own behalf why the sentence of death should not be passed upon him. Place a healthy woman in the pest house and her blood will be stricken with the dread disease. Place a moral woman in the midst of immorality and the poison will run through all her blood. To the young women of the congregation would I make a special appeal this evening. Avoid the so-called gentleman who tells you he has nothing to do, that his father is wealthy. He may be dressed in the height of fashion, bejeweled and colognied and cravated, but his companionship means misery, and his friendship means death.

If the police are in search of a criminal do they go into our banking houses where men are busy all day at their books; do they go into our factories where workmen are busy at the bench; do they go to the farms, where men are busied with the shovel and the plow? No. They go to the corners where men congregate, to the drinking places, and nine chances out of ten, they will run their man to the ground. There is an Italian proverb which reads, "The devil tempts most men and most women, but an idle man or woman tempts the devil." Shun the company of the irreligious, the cynic the rejector of a revealed religion. He tells you that he has quite recovered from the religion of his father and mother, so will you if you make him a companion. Beware, his sarcasm, his irreligion, his ridicule will put a seal of infidelity upon you.

Immoral Literature.

"Wall up the windows on the sea of immoral literature, whether newspapers, pamphlets or books. A newspaper is a book only in a swifter and more portable form. The greatest of our American lakes if emptied of their waters, could not contain all the putrefaction, the vicious and immoral literature that has been produced during the past twenty years. While I believe that the greatest blessing upon the earth since Christ came, has been good literature, on the other hand I believe the greatest evil on the earth is vicious literature. The terrible influence of it is found in our asylums, our penitentiaries, in houses of shame and were your vision intensified you would find that readers of this literature people all the caverns of the pit. Have you a vicious book, paper, or pamphlet in your possession? Get it out, all of it, destroy it; make a bonfire of it in your heart and demonstrate that you have done what you could to rid the world of this over-topping, under-lying, circling curse of vicious literature.

Social Impurity.

"Again I would ask you to wall up all the windows that face upon the sea of social impurity. The sea that surrounds us not only in one locality or section, but north, south, east and west. Even now there are thousands and thousands of women going over the plunge of an immoral life. Whether some day God will consume them by fire, famine and sword as He did the inhabitants of Jerusalem, remains to be seen. Every page of Holy Scripture is ablaze with the indignation of God against this sin. God help parents to instill the great lessons of purity and morality in the hearts of the children. God help our legislators to enact and enforce pure laws for the undoing of this evil. God help the pulpit and the printing press to thunder the white hot brand "the adulterer, the unclean of heart, shall never see the face of God."

The abuses of company-keeping it was pointed out, exerted influences that could never be estimated upon earth, for they extended into eternity, into the very vaults of hell. The utter folly of marrying a man given to intoxicants, to debauchery to riotous living, in the hope of reforming him, or of marrying him because he was wealthy was demonstrated in a most forcible and impressive manner.

This morning a most practical and pleasing instruction on "Reverence for the Name of God," was given by Father Sullivan.

PLAN COLLEGE GLEE CLUB.

Wabash Will Be Represented by Musical Society Now Organizing.

Crawfordsville, Ind., Oct. 24.—Wabash college will be represented by a mandolin and glee club again this college year. The first steps toward the reorganization of the club were taken yesterday, when a meeting was called of the members of last year's organization still in college, and those of the new men who expect to try for a place on the club.

The annual tour will be taken during the spring vacation as usual, and it is extremely probable that a short trip will be made during the Christmas holidays this year, providing the club is in presentable shape.

The annual tour last year was made through the northern part of the state, and as the club is regarded as a good advertiser for the school, a southern trip will most likely be inaugurated this time.

PAID $250 FOR OAK TREE.

When Cut the Butt Measured Seven Feet in Diameter.

Russiaville, Ind., Oct. 24.—What was thought to be the largest oak tree in the radius of twenty miles of here, which stood on the farm owned by the late Jacob Harness, was bought by S. P. Hollingsworth for $250. The tree was cut two feet above the ground and the butt measured seven feet in diameter.

Six logs, each twelve feet in length, were cut without encountering a limb of material size. Out of the butt log 1,700 feet of lumber was sawed, and from the remaining five logs, 5,300 feet, making a total of 7,000 feet. Two men, using a cross-cut saw, were nearly seven hours felling the giant oak.

PRISON FOR EX-COURT CLERK.

Supreme Court Said to Have Affirmed Verdict in Cooke Case.

Springfield, Ill., Oct. 24.—John A. Cooke, convicted of embezzling funds belonging to Cook county while clerk of the Cook county circuit court, will be compelled to serve a term in the Joliet penitentiary, according to a rumor in circulation here last night. The supreme court adjourned yesterday afternoon, and it is said that among the opinions handed down was one affirming the decision of the lower court in the case of Cooke. The decisions, however, will not be made public by Clerk Mamer until this afternoon. It has taken nearly a year to prosecute the appeal through the appellate and supreme courts, during all of which time Cooke has been at liberty.

DEMAND LAW REVISION.

Cannery Men Would Admit Chinese Under Heavy Bond.

Seattle, Wash., Oct. 24.—The cannery men of southeasern Alaska are preparing to make a fight in congress for a revision of the Chinese exclusion act, so as to permit the importation of cannery laborers under heavy bonds. The cannery men claim that unless some step is taken to provide more Chinese laborers for the work in Alaska, the pack will have to be curtailed. Attempts to utilize white, Japanese and Indian labor were not wholly successful. It is claimed the Chinese alone are satisfactory, but under existing conditions can not be obtained in sufficient numbers to meet requirements.

FIGHT BUBONIC PLAGUE.

Oriental District of Seattle Is to Be Cleaned Up.

Seattle, Wash., Oct. 24.—Dr. A. S. Oliver, special medical inspector who is directing the investigation recently begun here for the eradication of bubonic plague started out with a force of inspectors yesterday to clean up the oriental district. The leading Japanese and Chinese have given the board of health every assurance of their support in the work. No new cases of plague have developed.

Save Fuel

A large amount of fuel can be saved at a very small cost, by applying some of our weather-strip to the outside doors and windows of your house.

Try it! You will be surprised to see what a difference it really makes in the temperature of your house.

If you have a door that is inclined to stand ajar, the same can easily be remedied by applying one of our **DOOR CHECKS,** which is fully guaranteed to perform its mission, and thus keep your room warm, your temper cool and your disposition sweet. Come and see us about it.

HARDWARE

SOCIETY

An informal but extremely pretty affair of this afternoon was Miss Ella Anderson's tea, which she gave in honor of her guest, Mrs. Frank Hughes, of Marion, Ohio. The table in the dining room was done in white and red with bittersweet heaped in a big bowl in the center on a lace center-piece and red candles under red hoods on lace doilies grouped about the center of the table. The living room was decorated with white chrysanthemums. Mrs. Frank Stewart, Miss Mildred Muirhead, Miss Georgia Waterman and Miss Loretta Twing assisted the hostess during the afternoon.

* * *

Miss Hattie Fowler has returned from a visit in Aurora, Ill.

Miss Barrett, of Fairfield avenue, is in Indianapolis visiting Mrs. Will Turner.

Mrs. John Gephart has as her guest, her mother, Mrs. Frank Ruby, of Decatur.

Miss Olga Rice will have a Hallowe'en party on Thursday evening of next week.

Mrs. W. D. Kyle, of Bluffton, is visiting her daughter, Mrs. Current, in this city.

Mrs. H. H. Rogers has returned from a visit with relatives in Bloomfield, Ind.

Miss Beulah Alringer entertained the Chi Theta Xi at her home in Lakeside, last evening.

Miss Edna Erb, of Elmira, Canada, is visiting Miss Renate Frosch, of Wells street, for a few days.

Mrs. Harry Hattersley has as guests, Miss Gleason, of Boston, Mass., and Miss Gertrude Greening, of Bay City, Mich.

The E'Galante Dancing club will hold its opening reception and dance for this season in Tanner's hall tonight.

Mr. and Mrs. John Miller have returned from their wedding trip and are housekeeping at 44 New Haven avenue.

Miss Mary Stockbridge, of Hamilton, Ind., is visiting her brother, Charles Stockbridge and family, of Webster street.

Mr. and Mrs. William Smith, of Lumbard street, celebrated the twentieth anniversary of their wedding on Sunday evening.

Miss Helen Larmonth, who had been the guest for a month of Mr. and Mrs. S. M. Foster, left yesterday for her home in Jamestown, N. Y.

Mrs. Frank Stewart will give a thimble party tomorrow afternoon in honor of Mrs. Frank Hughes, who is Miss Eliz Anderson's guest.

Miss Jennie Kern and Miss Edna Schalper, of Libertyville, Ill., are guests of Miss Eliza Nestel, 927 West DeWald street for two weeks.

Rev. and Mrs. J. F. Vichert and children have gone to Toronto, Canada, where Mr. Vichert will visit his alma mater, McMaster university.

Mrs. D. T. Williams returned today from a visit of several weeks with her daughter, Mrs. Levant Elliot, in Erie, Pa., and with her son in Lavina, N. Y.

Mr. and Mrs. Allen Crawford, of Covenia, Cal., who have been visiting relatives here for twelve weeks, have been called home by the serious illness of their son, Clarence.

Miss Edna Rentschler entertained the members of the T. B. G. club in honor of her birthday anniversary last evening. Prizes were won by Miss Adele Kratzsch and Miss Edith Baxter.

Mrs. B. D. King will entertain the ladies of the Woman's Relief Corps and her friends at her home, 1129 Clinton street, tomorrow afternoon. Mrs. John Koons and Mrs. John Schuler will be assisting hostesses.

Mr. and Mrs. F. W. Kelsey, of 827 West DeWald street, entertained a few friends at dinner on last evening in honor of Mr. and Mrs. Alfred Grindle, of Indianapolis, Mrs. Charles Zollers, of Toledo, and Mrs. Charles Haiber, of Pomona, Cal.

Mrs. Grace Shafer, of 407 Washington boulevard west, returned home last evening after a short absence to find the house invaded with friends who knew the day was her natal anniversary. A pleasant time followed which all enjoyed.

Miss Sadie Lenocker and Mr. Fred Rodenbeck will be quietly married this evening by Rev. Samuel Wagenhals, at the home of the bride, 117 East DeWald street. Only immediate relatives will be present. The bride and groom will go to housekeeping directly in their own home.

Mr. and Mrs. Harry Woodward and son, Marcus have moved to Toledo to live. Another son, Master Dixon Woodward will remain here with his grandmother, Mrs. M. E. Woodward for a few weeks.

The wedding of Miss Beatrice Lynch and Mr. Albert W. Shattuck will be a very small home affair at half after five o'clock this afternoon at the home of the bride's mother, Mrs. Charles S. Lynch in Lakeside. Rev. H. B. Master will be the officiating clergyman. There will be no attendants.

Mr. and Mrs. Frank Heller, of Lakeside entertained at progressive pedro last evening. A fine luncheon was served after the card playing. Prize winners were Mrs. P. B. Arnold and H. Foss. The guests were Mr. and Mrs. John Swaidner, Mr. and Mrs. P. B. Arnold, Mr. and Mrs. John Wilson, Mr. and Mrs. John Stafford, Mr. and Mrs. Henry Foss and Miss Cozie Stout.

The H. W. club and the husbands of the members will be entertained by Mr. and Mrs. Ford, who reside a mile north of the city, tomorrow evening. The trip will be made in a large 'bus and the interurban station on Harrison street will be the starting point.

Mr. and Mrs. Gregory Lauer and daughter, Anna, of 1305 Maumee avenue, have returned from a few days' visit in East Chicago with Rev. Father G. Lauer.

The opening meeting of the Ventura club was held with Mrs. Frank Ausman, of Washington boulevard yesterday. The guests played pedro and Mrs. Ausman and Mrs. Peter Snyder won the prizes. The decorations were in the club colors, green and red and ferns, red crepe paper and carnations were used. A supper followed the card game. Mrs. C. T. Strawbridge, Mrs. Miller and Mrs. Philip Werstein were non-members of the club who were guests.

The Autumn Leaf Pedro club was organized yesterday afternoon at the home of Mrs. William Vincent, on Griswold avenue, with twelve members. The next meeting of the club will be with Mrs. Giesthoffer, of Griswold avenue, on October 30. The members of the club are Mesdames Frey, W. Roeger, Wiltoncox, Kerns, Durr, Siessie, Beach, J. Brown, Geisthoffer, Vincent, Clara Roeger and Gladys Brown.

One of the birthday parties of this week was the celebration of William Breuer's anniversary last evening at his home, on East Wayne street. Mrs. Breuer made arrangements for a fine dinner and the decorations of the dining room were extremely pretty. Red and white were the predominating colors furnished by carnations. After the dinner musical selections were rendered by Mrs. Henry Ranke and Fred Tresselt. The guests were Dr. and Mrs. Carl Schilling, Mr. and Mrs. Theodore Seemeyer, Mr. and Mrs. Fred Tresselt, Dr. and Mrs. Henry Ranke, Mr. and Mrs. Herman Mackwitz, Mr. and Mrs. Henry Meyer, Mr. and Mrs. Max Hofmann, Miss Lou and Miss Yetta Meyer, Miss Schelmann and Charles Schelmann.

* * *

Hohman—Busching.

A wedding reception which was attended by many friends and relatives of the bride and groom was that which followed the marriage of Miss Emma Busching and Mr. Henry Hohman, Wednesday evening. The marriage of Miss Busching and Mr. Hohman took place at 8 o'clock at the residence of Rev. S. Wagenhals, who officiated. The reception was held an hour later at the home of the bride's parents, Mr. and Mrs. Henry Busching, of 541 Wallace street. The bride wore a blue taffeta silk gown trimmed with chiffon and Persian embroidery and a large blue hat trimmed with plumes. The house was prettily decorated with flowers and palms. Mr. and Mrs. Hohman went to Chicago for a few days and on their return will go to housekeeping in their own home, corner of Leith and Jane streets.

* * *

Miller—Holverstott.

Miss Addie N. Holverstott and Mr. Charles F. Miller were married at half after 2 o'clock Wednesday afternoon at the home of the bride, 2531 Broadway, by Rev. Shamhart, pastor of the West Creighton Avenue Church of Christ. Miss Ernestine Spiegel played the wedding march as the bride and groom entered the parlor, where the ceremony was performed. Miss Neola Pinyard was honor maid to the bride and Miss Jeanette Miller, a sister of the groom, was flower girl. The bride looked unusually pretty in her wedding gown which was a light blue silk trimmed with valenciennes lace. The bride carried a bouquet of white roses and wore roses in her hair. Miss Pinyard wore a white dotted Swiss, made over blue, and carried red roses. The little flower maid was in white and carried a basket of flowers. The groom was attended by Mr. William Schile. After congratulations had been extended dinner was served. The decorations of the dining room were pink and white roses and smilax with pink shaded lights. Miss Mary Noll, Miss Mabel Lamboley and Miss Elizabeth Crowe assisted in serving the dinner. There were about forty relatives present including Mr. and Mrs. L. Miller, Miss Sylvia and Herbert Miller, of Nappanee.

* * *

A Country Party.

Miss Sophia Prange, who lives in the city, gave a number of her friends a party at her home in the country, west of the city, on Sunday afternoon. The young people drove out to the Prange home and after a game of pedro enjoyed a fine supper at 6 o'clock. The prizes were won by Miss Laura Schroeder and Will Kruse for highest scores and by Miss Minnie Dryer and Charles Schneider for consolation scores. Music was furnished by the Dreyer brothers after supper and the company remained until late. The guests were Mr. and Mrs. Christ Prange and children, Carl and Bertha, Misses Minnie Dreyer, Christina Thiele, Bertha Kruse, Minnie Prange, Lena Schroeder, Minnie Muhlenbruck, Kate Meyer and Messrs. August Lepper, Wilhelm Kruse, Wilhelm, Fred, Herman and Elmer Dreyer, Fred Prange, Charles Scheider and Christ Kromer.

* * *

Woodward—Gaskill.

The wedding of Miss Ora F. Gaskill and Mr. Ray G. Woodward took place Wednesday evening at the home of the bride, 1201 East Lewis street, at 7 o'clock. The ring ceremony was performed by Rev. G. F. Byrer, of Calvary U. B. church. Besides relatives there were present a few intimate friends. Miss Ermal Cartwright played the wedding music as the bride and groom entered the room where the marriage service was read. The bride wore a pretty gown of white, a lace waist and a mohair skirt, white roses in her hair and carried a bouquet of white chrysanthemums. The dining room, where an excellent supper was served, and the parlor were decorated with plumosus and white chrysanthemums and carnations. The bride and groom enjoy a great degree of popularity among their acquaintances. Mr. and Mrs. Woodward will go to housekeeping after the first of November in 2024 Broadway.

* * *

Ritcha—Dobler.

The marriage of Miss Hulda Dobler, daughter of Mr. and Mrs. Theodore Dobler, 2308 John street, and Mr. Frank Ritcha took place this afternoon in Zion's Lutheran church, the Rev. Henry Luehr performing the ceremony.

MAY FORBID WHEAT EXPORTS.

Rumor That Russian Emperor Will Repeat Action of 1892.

Portland, Ore., Oct. 24.—The Oregonian tomorrow will say that private cables were received in Portland late today from Liverpool stating that there is a well-grounded rumor in circulation to the effect that the emperor of Russia will between now and the end of the present week issue a ukase forbidding the exportation of wheat from Russia, as was done in 1892. The paper ventures the prediction that following this announcement grain charters will go to 45 shillings or better.

OUTSIDE FIRE LIMITS.

House Burns Because Department Could Not Reach It.

Fire completely destroyed the residence of Jacob Willis, who resides in the extreme northwestern part of the city, causing a loss of $1,000. The residence is out of the fire district and for that reason no alarm was turned in, and as the fire extinguishing apparatus at hand was inadequate to combat the flames with any success, the building was burned to the ground. Mr. Willis was severely burned about the hands and face while trying to rescue some of his effects.

Departments Nos. 1, 3 and 6 responded to a telephone call at 10:30 o'clock this morning and made a run to Third street, only to find that there was no fire and that the alarm was sent in through error.

WANT NEW MEETING PLACE.

Postmasters Favor Washington for Permanent Headquarters.

Washington, Oct. 24.—Opposition to holding next year's convention of second and third-class postmasters at Indianapolis developed today. A considerable element of the association favors making Washington the permanent meeting place, because of the fact that the postoffice department, records and officials are here. Gulfport, Miss., also has made application for the convention. The Indianapolis boomers are working hard.

NEARS END OF VOYAGE.

Fast Steamship Lusitania to Reach Queenstown Tonight.

Queenstown, Oct. 24.—The Lusitania was in communication with Fastnet, Ireland, at 12:37 p. m. today, when 134 miles west of that point.

The Lusitania cleared Sandy Hook lighthouse at 5:44 p. m. Saturday last. She should reach Queenstown about 8:30 o'clock this evening and her time of passage will be about four days, twenty-one hours and forty-six minutes, at an average speed of about 23.84 knots per hour.

SHIP WRECKED ON ROCKS.

Japanese Freight Steamer and Cargo Lost, But Crew Escapes.

Tokio, Oct. 24.—A dispatch from Moji reports that the Japanese freight steamer Kokwo Maru, from Hong Kong to Yokahoma, went ashore in a storm off Rishma and is a complete wreck.

The crew was rescued in lifeboats. The loss on the ship and cargo is said to be $700,000.

MASONIC HOME DAYS.

The Order of the Eastern Star at their stated meeting this evening will celebrate Masonic Home day in an appropriate manner. The program consists of music, recitations and an address by Rev. Lenig, pastor of the Wayne Street M. E. church. Caterer Gross will serve lunch assisted by the brothers of the chapter. All members of the order in the city will receive a cordial welcome.

The International Business college will give a Halloween dance next Tuesday evening at Tanner's Dancing academy.

INSPECTORS DISCHARGED.

Asphalt Men Whose Books Are Said to Have Been Padded.

Indianapolis, Ind., Oct. 24.—Thomas Shufleton and John Rosasco, the two inspectors of the asphalt repairing, whose books, it has been charge, have been padded to increase the amounts paid to the Western Construction company, were discharged today.

WANT CLEAN CAMPAIGN.

New Jersey Democrats Make Proposition to Republicans.

New York, Oct. 24.—Robert S. Hudspeth, chairman of the New Jersey Democratic State committee, has sent a letter to Chairman Franklin Murphy, of the Republican State committee, inviting an agreement not to use money for unworthy purposes in the pending election. The proposition is being considered at republican headquarters at Newark.

Patterson-Fletcher Co. sell a pure worsted hand tailored Hart, Schaffner & Marx Suit for $15, and give scores of patterns to select from.

TABLE DECORATIONS

QUAINT HALLOWE'EN FAVORS.

"HIS SATANIC MAJESTY"

Hallowe'en decorations and favors are particularly attractive this season, and many of the quaint and amusing figures are made from crepe paper, as are the house and table ornaments. These All Saints trimmings are made in effective color combinations, such as yellow and black and red and black.

In the latter scheme of red and black a table could be prettily arranged with centerpiece and plate doilies of red paper, frilled with black. In the center could be placed a huge witch's pie, covered with a yellow crust of paper.

The middle of the pie could be held down by a witch dressed in a scarlet petticoat, black coat and cone shaped hat, all of these made of paper. With her should be the black cat and tiny broom. This pie could be filled with surprise packages, one for each guest. To the end of each of these favors strands of red ribbon should be attached. At the other end of the ribbons that should reach the plates, tiny witches dressed like the one on the pie might be tied. The napkins could be red, printed with black cats and witches, and the bonbon boxes black satin witches' hats for the men, and the "dumb cake" for the ladies.

Witches would hold the ice cups. The edge of the table would have alternative frills of deep valances of red and black paper.

For light, red candles with shades to match, appliqued with black witches, would be effective.

Another form of decoration is the jack o' lantern mock pumpkins. Some of them are quite large. The pumpkin is cut to represent a face, while the nose is an immense red bulb. A tiny lighted candle is placed inside. Six or twelve of these would make an effective centerpiece. They should be set into a piece of wood covered with black and yellow paper, and so arranged that they slant outward. The table decorations could be in yellow and black, and smaller pumpkins matching the larger ones might be used as bonbon boxes. Instead of the red bulb the nose could be made of a bright, ripe, candied cherry. Children would vote these "quite too cute for anything." Ices would be eaten from small pumpkins, and tiny black cats could perch behind the name cards. Lights shining through yellow would shed a most effective glow over the yellow, red and black trimmings.

A pretty color scheme may be carried out in the shades of autumn foliage. The doilies and other table drapery to be of white crepe paper printed in reds, yellows and browns. The centerpiece could be a small paper tree, the branches hung with favors tied in paper the color of the leaves. Each would be fastened to an end of ribbon, at the opposite end of which a stray leaf serving the purpose of a name card would be secured. The ice cups would be imbedded in nests of leaves, and the lighting would come through yellow shades.

In addition to these kinds of ornamentation there are shrouded figures.

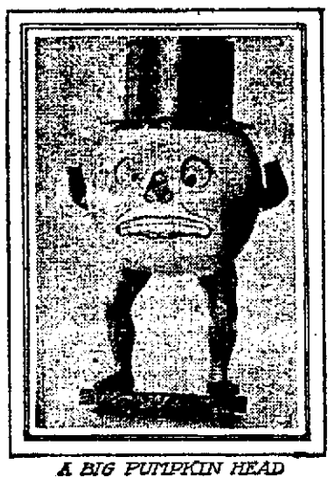

Small dolls covered from head to foot in white could be used as sentries to guard a prize cake.

Among the odd favors—that is, those that are not in sets—are individual witches dressed in barbaric coloring, covering boxes filled with candy, black cats doing the same duty; while another cover will be represented by a family of tiny black mice making inroads in a most natural looking cake. Golden pumpkins are filled with candy, and so are witches' hats. Another favor, called "a regular pickle," is a large green cucumber (lying on its side) from which a crowd of small brownies, packed closely together, protrude their heads and shoulders. This is filled with candy, but the box alone would give delight to any small man or woman, the brownies are so quaint and funny looking.

VEGETABLE FAVORS.

A WITCH WITH HER BLACK CAT.

A BIG PUMPKIN HEAD

A JACK O'LANTERN

How to Crochet a Bedroom Slipper

This pattern is a most comfortable addition to one's bedroom wear and will form an acceptable present for an elderly lady, for there are a few such nowadays, in spite of what people say. The model illustrated was worked in brown wool and was finished off with a bow of brown satin ribbon, but of course any color could be selected.

The materials required are three ounces double Berlin wool, a bone crochet hook, medium size, and a pair of steel knitting needles, No. 12.

Crochet fifteen chains for the toe.

First row—Seven double crochet, three double crochet on the eighth chain, then seven double crochet; turn.

Second row—Eight double crochet on first eight stitches, inserting hook at the back of each stitch, three double crochet into center stitch, then eight double crochet; turn.

Continue to increase in this way each row in center stitch till there are sixty-one stitches, then crochet two rows without increasing, which finishes front part of boot.

Crochet now on twenty-five stitches backward and forward forty-six times, to form the strip to go round the foot, and then join.

For knitted border in loop stitch cast on ten stitches.

Work one row plain. Next row work six plain and four loop stitches, passing wool twice round needle and forefinger, then round needle a third time, and knit as one stitch, says Home Chat.

Repeat these two rows till there has been enough worked to go round the ankle part of boot. Join it round and sew it on foot, so that the loop knitting is at the top and folds over the plain knitting on right side.

Sew the foot portion to a sole, either a plain or fluffy one, and attach a smart ribbon bow to the front, as sketched.

MOTHERS.

We have the Sweater Vests for your boy at $1.00, $1.50 and $2.00.
PATTERSON-FLETCHER. CO.

GERMAN EPWORTH LEAGUE.

National Convention in Session at St. Joseph, Mo.

St. Joseph, Mo., Oct. 24.—The National convention of the German Epworth league opened here today. Dr. F. Munz, of Cincinnati, president of the league, presided. Five hundred delegates are in attendance.

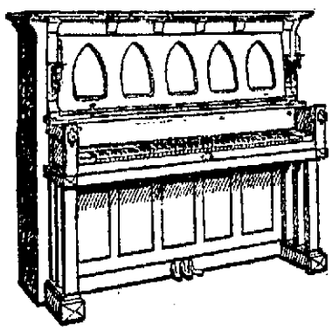

A large shipment of Manhattan Shirts just arrived. Prices $1.50 and $2.00.

The Cheapest Fuel is Coal—Not Gas
If you don't believe it you have but to make the test for yourself.
With a Buck's steel range—the greatest fuel saver made, you can cook an entire dinner consisting of several dishes, bake bread and heat fifty or more gallons of water—all with one fire. With gas you would require six or eight different fires as the case might be—and then the cooking would not be so well done—and the expense tremendously greater.
Let us show you many advantages of these wonderful stoves.

CORNELL PLAYERS SENT THROUGH A STIFF SCRIMMAGE

Last Open Practice for the Princeton Game—Tigers Work Out.

Ithaca, N. Y., Oct. 24.—Several hundred shivering enthusiasts watched the last open practice of the Cornell team before the Princeton game yesterday. For forty minutes the scrubs and varsity traveled up and down the field in a bewildering mix-up, and the ball passed from one team to another on almost every other play. Tueder himself got into the scrimmage and made twenty yards around Vanorman in a brilliant run through half of the varsity team.

The scrubs and regulars scrimmaged for forty minutes, each side scoring one touchdown. The scrubs tallied first, when Gardner picked up a pass on his ten-yard line and was off like a flash for the opposite goal. Then the varsity got mad and ran the ball down the field rapidly, Shearer taking it over. The regulars would have made a much larger score had the real back field and tackles been in the game, but they are resting for Saturday.

On side-kicks, forward passes and punts followed each other in rapid succession and the play zigzagged up and down the field all through the game. Mowe and Shearer were worked hard as regular half backs, the coaches planning to send them in against Princeton if Earle and McCallie weaken. Watson and Vanorman tackled sensationally, although both men were circled several times.

TIGERS GET PLENTY OF WORK.

Players Dash Into the Plays With Lots of Enthusiasm.

Princeton, N. J., Oct. 24.—The coaches gave no let-up in the football practice here. The weather conditions were perfect and the men jumped into plays with more spirit and enthusiasm than any time this week. As usual, the gates were barred and the practice secret. The scrubs lined up against the varsity and gave them twenty-five minutes of hard work.

OLD STARS ON HOOSIER ALUMNI

Indiana Varsity Meets Husky Aggregation at Home Saturday.

Bloomington, Ind., Oct. 24.—If present indications hold out the Indiana varsity will have no small task in defeating the alumni in the annual Indiana-Alumni game next Saturday. The three-year rule has created a peculiar situation here in regard to the number of old varsity stars in school who are eligible for the regulars. There are seven star players of last year in and around Bloomington who will line up against the present team.

Ex-Captain "Bunny" Hare will not be able to run the alumni bunch, as he is busy coaching the Rose Polytechnic team. "Eddie" Boyle will play quarter. Among the old players whom the varsity will face are Bloom, the famous end; Hill, Heckaman and Wade, on the line; George Steele, full back; "Heze" Clark, half back, and "Sag" Waugh, center, on the Indiana team for the past three years.

STICKS TO STRAIGHT FOOTBALL

Yost Eliminates Forward Pass From Michigan's Practice Stunts.

Ann Arbor, Mich., Oct. 24.—Yost sent the Wolverines through a twenty-five minute scrimmage yesterday. The varsity specialized on straight-line bucking and end running, practically eliminating forward pass play. The varsity scored four touchdowns, and the scrubs were able only to secure a first down once.

It is now practically certain that Weinmund will be the permanent quarter back, with Joy Miller a substitute end and quarter back. If Sullivan shows at all it will be at right half. Yost is developing two sets of back field men, and will then be prepared to meet possible accidents to any of the men.

Harry Hammond is doing some great drop kicking. He poked one over the goal from the thirty-yard line. Besides this he is doing fine punting. With Rumney, Allerdice and Hammond in the line-up there will be three booters, which affords all kinds of chances for trick plays.

Douglas will start the game at right half Saturday against Ohio State University. He is showing good class. Just what will be the roll call of Michigan for the coming game is a conjecture, but "Irish" Flanagan is sure of being next door neighbor to "Germany" Schultz. The left end position and right half back jobs are the stickers.

Doctors Said He Would Not Live.

Peter Fry, Woodruff, Pa., writes: "After doctoring for two years with the best physicians in Wilmesburg, and still getting worse, the doctors advised me if I had any business to attend to I had better attend to it at once, as I could not possibly live another month as there was no cure for me. Foley's Kidney Cure was recommended to me by a friend, and I immediately sent my son to the store for it, and after taking three bottles I began to get better and continued to improve until I was entirely well." Dreier & Bro.

A monstrous coffee crop in Brazil is reported for the year ending June 30—20,409,180 bags, representing an increase of 9,353,802 bags over the previous year.

A weak Stomach, causing dyspepsia, a weak Heart with palpitation or intermittent pulse, always means weak Stomach nerves or weak Heart nerves. Strengthen these inside or controlling nerves with Dr. Shoop's Restorative and see how quickly these ailments disappear. Dr. Shoop, of Racine, Wis., will mail samples free. Write for them. A test will tell. Your health is certainly worth this sample trial. Sold by all dealers. Th-S

HOGAN GIVES M'FARLAND DECISION OVER GOODMAN

Packingtown Punch Was Not Delivered—Bouts Were Satisfactory.

McFarland was not able to get across with his famous Packingtown punch in his ten-round go with "Kid" Goodman at the Princess Rink last night and the bell tap found both men on their feet and fighting at the close of the tenth round. Malachi Hogan did not hesitate a minute to give the decision to the boy from Chicago and although there were a few hisses the general opinion was that it went the right way.

Goodman put up an awful stiff argument and although the Irishman went at him like a whirlwind in the closing round and had him on the ropes half a dozen times he took his gruelling and came out of each of the mix-ups with a wallop although he failed to land any hard enough to count. There was much more holding and wrestling than the crowd had a right to expect from men with as good ring reputations but Goodman had to rely on his fighting as his best chance and this forced him to keep close to his man.

McFarland found after the first round or two that he could not finish the Yiddish fighter by rushing him and getting away, so he resorted to roughing it and evidently relied on his superior weight to wear his man down to a point where he could get over the sleep slap, but he never had the chance as Goodman kept himself covered and took all that was handed him and was up and coming all the time.

His reputation was not hurt by the fight nor was much added to McFarland's and there were fight fans there who thought after the mill that the kid should have had the benefit of a draw as there was no time during the battle when he was in danger of going down. He slipped and fell once and side-stepped McFarland and let him go through the ropes but did not take advantage of any opportunity he might have had if he had been on top of the Irishman when he got on his feet.

Goodman complained two or three times that he was getting the worst of it in the breaks but Hogan apparently acted with fairness to both men in splitting them out. The battle was worth the money and drew a good biz crowd from the city and from out of town.

The Semi-Windup.

Fred Gilmore came into the ring before the second bout was called with a bandage around his right forearm and it was announced that he had contracted blood-poisoning and could not go on with Harry Lumbard. Manager W. H. Knapp insisted on having the bandage removed in the ring so that the audience could see the affair was on the level and this was done by Dr. F. B. Ladd who said there were evidences of infection.

Pat Kinnealy, McFarland's sparring partner was substituted and Pat was all right—at least he was right enough to get the decision. He had everything but a wallop. He was in evident distress on account of his wind two or three times, but he stayed and when the bell tapped at the close of the eighth Hogan elevated his right glove and made him the winner.

This bout was up to the standard and throughout gave promise of a knockout at most any minute. Lumbard was on his feet in good shape at the end and did not show he had received any punishment but the referee decided the other man had bested him on points.

Opener Was a Farce.

Bobby Ferris went into the ring with nothing but a glove and Long finished him in the second round. He could have done it in the first just as easily but Ferris kept his two gloves up in front of his face. He got a punch in a minute after the second opened and went down. Whether he was knocked down or developed a streak of yellow is a matter of some doubt.

COLUMBIAS WIN THREE.

Big League Series at The Brunswick Was Postponed.

The fistic argument at the Princess Rink last night proved more attractive than bowling and as a consequence only one of the two scheduled games were played at the Brunswick. The Columbias took three from the Western Gas and the scores were universally low. Scores:

Columbias.	1st.	2d.	3d.	Tot.	Av.

BEWARE OF OINTMENTS FOR CATARRH THAT CONTAIN MERCURY, as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians as the damage they do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.
Sold by Druggists. Price, 75c per bottle.
Take Hall's Family Pills for constipation.

MEALS FOR TOMORROW

[Chicago Record-Herald.]

FRIDAY, OCTOBER 25, 1907.

—Breakfast.—
Concord Grapes.
Oatmeal. Fried Apples. Bacon. Toast. Coffee.

—Luncheon.—
Stuffed Eggs with Tomato Sauce.
Graham Bread. Baked Pears.
Gingerbread.
Tea.

—Dinner.—
Cream of Cauliflower. Ragout of Mutton.
Baked Sweet Potatoes.
Endive and Green Pepper Salad.
Pulled Bread.
Blackberry Jam.
Cottage Cheese. Water Crackers.
Coffee.

Stuffed Eggs with Tomato Sauce—Boil five eggs for twenty minutes, shell, cut in halves, mash yolks with one tablespoon of chopped chives, one-quarter teaspoon salt and a dash of cayenne; then fill whites with this mixture and cover with tomato sauce; garnish with points of toast and serve very hot.

Ragout of Mutton—Use two pounds of mutton from the shoulder or breast, free of bones and with as little fat as possible. Cut in pieces about two inches square. Have one pint of turnips and half a pint of carrots cut in small cubes, hash fine two tablespoonfuls of onion. Cut up some of the mutton fat which has not touched the skin and fry it slowly until you have about a gill. Take out solid pieces, add the vegetables and fry for ten minutes; take them out and put in a stewpan, brown the meat quickly in the fat and add to the vegetables, squeezing out all the fat, which is to be poured from the pan, and a tablespoonful of butter and the same amount of flour is to be put in the pan and stewed until a dark brown; add three cupfuls of boiling water; when smooth pour over meat and vegetables, add a level tablespoonful of salt, one-third of a teaspoonful of pepper and one tablespoonful of corn starch mixed with one-half a cupful of cold water. Boil up once, then set where ragout will just simmer. Cook for three hours and serve very hot. (Miss Parloa.)

Kennedy's Laxative Cough Syrup is a safe, sure and prompt remedy for coughs and colds and is good for every member of the family. Sold by all druggists.

WINONA LINE NOT FOR SALE.

Interurban Directors Issue Statement Denying Rumors.

Winona Lake, Ind., Oct. 24.—The board of directors of the Winona Interurban Railway company at its annual meeting issued a formal statement relative to reports of the sale of the property in which it was said that "the Winona lines are not now and will not in the future be for sale." No proposition looking to the sale of the lines came up at the meeting. The old officers were re-elected for the coming year, as follows: President, H. J. Heinz, Pittsburg; vice president, J. F. Beyer, Warsaw; secretary and general manager, S. C. Dickey, Winona Lake; treasurer, Wm. M. Camp, Bement, Ill. The company will continue the construction of its Peru division as long as possible this fall and will complete the division next spring.

To check a cold quickly, get from your druggist some little Candy Cold Tablets called Preventics. Druggists everywhere are now dispensing Preventics, for they are not only safe, but decidedly certain and prompt. Preventics contain no Quinine, no laxative, nothing harsh nor sickening. Taken at the "sneeze stage" Preventics will prevent Pneumonia, Bronchitis, LaGrippe, etc. Hence the name, Preventics. Good for feverish children. 48 Preventics 25 cents. Trial boxes 5 cents. Sold by all dealers. Th-S

The registration in the Twenty-ninth election district of the Sixteenth assembly district, Brooklyn, was completed this morning, when the official announcement was made that John Leary, an employe of the park department and the only resident of the district, had appeared before the inspectors and presented his name. The registration of Mr. Leary's name will cost the city about $400.—New York Sun.

The Price of Health.

"The price of health in a malarious district is just 25 cents; the cost of a box of Dr. King's New Life Pills," writes Ella Slayton, of Noland, Ark. New Life Pills cleanse gently and impart new life and vigor to the system. 25c. Satisfaction guaranteed at Dreier & Bro., druggists.

CONSUMPTION
Fort Wayne Physician Installs New Apparatus for Curing Tuberculosis.

That tuberculosis is a curable disease is now a firmly established fact. That a change of climate is not essential to a cure is another established fact. That the new Xray-Ozonation treatment is superior to climatic influence as a factor in its cure is another established fact, conceded by the best authority of today. Within the past year many physicians have proven the truth of these statements and are curing cases that failed to respond to climatic and medicinal treatment.

Dr. Wells, of this city, has installed in his office at 229 E. Berry street, the best apparatus that money can buy. He is authority for the statement that he believes from the experience he has had, and that of other physicians using the same method that he can cure any case of tuberculosis that can be cured by change of climate or other methods. The treatment is not heralded as a cure all but as a rational, scientific means of purifying and invigorating the blood to such an extent that it is enabled to overcome the effects of the tubercle bacilla. The doctor will be glad to explain its method of action to any one interested.

OFFICIAL COUNCIL PROCEEDINGS

The Common Council of the City of Fort Wayne met in the Council Chamber, Tuesday evening, October 22d, A. D., 1907, in regular session. President William C. Schwier, in the chair, and J. Frank Mungovan, Clerk, at the desk, present the following members, 11, viz:

Bayer, Boerger, Cook, Harrison, Henry, Johnson, Kinder, Rodeubeck, Schwier, Welch, Wyss.

Absent—4, viz: Enslen, Langard, Seidel, Stemen.

The minutes of the last regular session having been delivered to the Council, were, on motion, approved as published.

MAYOR'S COMMUNICATION.

Fort Wayne, Ind., October 22d, 1907.
To the Honorable Common Council:

Gentlemen:—I have approved the following ordinances and resolution passed at your session of October 8th, 1907:

General Ordinance No. 342, an ordinance ratifying and approving a contract entered into on the 10th day of September between the City of Fort Wayne, by and through its Board of Public Works and Joseph P. Martin & Co.

Appropriation Ordinance No. 321, an ordinance appropriating $60.00 to "Incidentals Board of Works Account."

Resolution No. 27, a resolution regulating the rate of speed that automobiles may be operated.

Respectfully,
WILLIAM J. HOSEY,
Mayor.

Spread on record.

CONTROLLER'S COMMUNICATION.

Fort Wayne, Ind., October 22d, 1907.
To the Common Council

Gentlemen:—The Board of Public Works have requested that an appropriation of $500.00 be made to "Maintenance and Repair of Streets Account." I believe they need the money for the purposes asked for, hence I would recommend that the appropriation be made.

Respectfully,
AUGUST M. SCHMIDT,
City Controller.

Spread on record.

CONTROLLER'S COMMUNICATION.

Fort Wayne, Ind., October 22d, 1907.
To the Common Council:

Gentlemen:—The Board of Park Commissioners have asked for an additional of $1,400.00 with which to meet the estimated expenditures that department will have during the balance of this year. I am satisfied that $1,000.00 will suffice to carry on the business of that department in an economical yet effective manner, hence I recommend that $1,000.00 be appropriated for that purpose.

Respectfully,
AUGUST M. SCHMIDT,
City Controller.

Spread on record.

REPORT OF CITY CONTROLLER.

Fort Wayne, Ind., October 15th, 1907.

Respectfully submitted,
AUGUST M. SCHMIDT,
City Controller.

Spread on record and referred to Committee on Finance.

COMMUNICATION FROM BOARD OF PUBLIC WORKS.

Fort Wayne, Ind., October 22d, 1907.
Mr. A. M. Schmidt, Controller.

Dear Sir:—Will you please arrange for an appropriation of $500.00 to the "Maintenance and Repair of Street Account." We recently had $500.00 transferred from this account to help out the "Sewer Repair" fund. If this amount will now be appropriated we will be able to see our way clear for the balance of this year.

Respectfully,
E. J. LENNON,
HENRY SCHWARTZ,
JESSE BROSIUS,
Board of Public Works.

Spread on record.

COMMUNICATION FROM BOARD OF PARK COMMISSIONERS.

Fort Wayne, Ind., October 8th, 1907.
Mr. A. M. Schmidt, Controller.

Dear Sir:—With the utmost economy used in the expenditure of the appropriation for the maintenance of the parks, during the current year, our board finds that it will require in addition to funds now on hand the sum of $1,400.00 with which to meet the six pay rolls yet to be incurred. Even this will necessitate the cutting down of these pay rolls to an unusual degree. We would probably have been able to get through the year on the appropriations made, but for an item of $215.00 carried over from the previous year, and the large unusual expense we were to in repairing the damages done to the walks and driveways at Swinney Park by the continued floods of last spring.

We respectfully ask you therefore to recommend to the City Council, the appropriation of $1,400.00 from the "General Fund" to our park maintenance account.

Respectfully,
FERDINAND MEIER,
D. N. FOSTER,
O. W. Tressell,
J. M. SINGMASTER,
Board of Park Commissioners.

Spread on record.

APPROPRIATION ORDINANCE NO. ...

An ordinance appropriating five hundred dollars ($500.00) to "Maintenance and Repair of Streets Account."

Section 1. Be it ordained by the Common Council of the City of Fort Wayne, Indiana, that $500.00 be and the same are hereby appropriated to "Maintenance and Repair of Streets Account," in order to permit the work to be done in this department as it should be during the balance of the year 1907.

Sec. 2. This ordinance to be in full force and effect from and after its passage and approval by the Mayor.

JOHN H. WELCH.

The ordinance was read the first time in full, upon motion the ordinance was read the second time by its title and referred to the Committee on Finance.

APPROPRIATION ORDINANCE NO. ...

An ordinance appropriating one thousand dollars ($1,000.00) to "Public Parks Account."

Section 1. Be it ordained by the Common Council of the City of Fort Wayne, Indiana, that one thousand dollars ($1,000.00) and the same are hereby appropriated to "Public Parks Account," for the purpose of meeting obligations that may become due during the balance of the year 1907.

Sec. 2. This ordinance to be in full force and effect from and after its passage and approval by the Mayor.

Respectfully,
R. H. HARRISON.

The ordinance was read the first time in full, upon motion the ordinance was read the second time by its title and referred to the Committee on Finance and on Parks.

GENERAL ORDINANCE NO. ...

An ordinance fixing the compensation and salary of certain clerks and employes (in the Department of Public Safety.)

Section 1. Be it ordained by the Common Council of the City of Fort Wayne, that the compensation and salaries of the clerks and employes, hereinafter mentioned, be fixed at the sums and amounts respectively named for such clerks and employes.

Each Sergeant of Police shall receive a salary at the rate of $960 per annum.

Each Patrolman and Patrol Driver during his first year's service shall receive a salary at the rate of $720.00 per annum.

Each Patrolman and Patrol Driver during the second year of his service shall receive a salary at the rate of $780.00 per annum.

Each Patrolman and Patrol Driver who has been in the employ of the city for two years shall receive a salary at the rate of $840.00 per annum.

Each Police Station Clerk shall receive a salary at the rate of $840.00 per annum.

Each Sanitary Policeman shall receive a salary at the rate of $780.00 per annum.

The Janitor at the City Building of such City shall receive a salary at the rate of $660.00 per annum.

Sec. 2. That all ordinances or parts of ordinances in conflict herewith be and they are hereby repealed.

Sec. 3. That this ordinance shall be in full force and effect on and after January 1, 1908.

JOHN H. WELCH.

The ordinance was read the first time in full, upon motion the ordinance was read the second time by its title and referred to the Committee on Fees and Salaries.

The Council then adjourned.

INCREASES IN GERMANY.

Berlin.—The German statistical office has prepared a very careful comparative statement showing the general increase in the price of all commodities during the past few years. As a basis for comparison the office adopted the average prices of commodities during the decade ending in 1898. With these prices are contrasted the rates current in the month of June, 1907. There is a general increase, but the ratios among the different categories of articles show wide divergences. Classifying articles under five principal heads, the following are the percentages of increase: Cereals, 25; animal products, 27; agricultural products of foreign origin, 29 and mineral products, 60.

"Pneumonia's Deadly Work.

had so seriously affected my right lung," writes Mrs. Annie Connor, of Rural Route 1, Georgetown, Tenn., "that I coughed continuously night and da and the neighbors' prediction—consumption—seemed inevitable, until my husband brought home a bottle of Dr. King's New Discovery, which in my case proved to be the only real cough cure and restorer of weak, sore lungs." When all other remedies utterly fail, you may still win in the battle against lung and throat troubles with New Discovery, the real cure. Guaranteed by Dreier & Bro., druggists. 50c and $1.00. Trial bottle free.

TO TRAIN WORKMEN.

Chicago.—A movement to investigate four branches of American industry, with a view to improving the methods of training workmen and adding to efficiency of work, will come into notice in connection with the convention of the National Society for the Promotion of Industrial Education, to be held in Chicago on Dec. 5, 6 and 7. At this convention four committees which have been making a study into conditions in the boot and shoe industry, textile industry, machine trades and building trades, will make preliminary reports.

MAKES HOMELY WOMEN PRETTY

No woman no matter how regular her features may be can be called pretty if her complexion is bad. Orino Laxative Fruit Syrup aids digestion and clears sallow blotched complexions by stimulating the liver and bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Remember the name ORINO and refuse to accept any substitute. Dreier & Bro.

Walter Christie, the automobilist, shortly after his recent accident, said: "I intend to keep on racing. It is a fascinating business, though it may kill me in the end." He smiled. "If it does kill me," he said, "tell them to carve on my tomb R. I. P.—'Rests in Pieces.'"

DeWitt's Kidney and Bladder Pills relieve backache, weak kidneys, and inflammation of the bladder. Sold by all druggists.

RECLAIM ARID LANDS.

Madrid.—There is a proposed law now being considered in the Spanish parliament which in its provisions include many features of the American homestead law, and the new plan for reclamation of arid and semi-arid lands and the sale of them to actual settlers on terms of long credit. Ten years is the Spanish proposition, during which time the settler may not sell or abandon his farm. The example set by the Americans has had a widespread influence in Europe, which may result in the reclamation of many regions by irrigation.

A CARD.

This is to certify that all druggists are authorized to refund your money if Foley's Honey and Tar fails to cure your cough or cold. It stops the cough, heals the lungs and prevents serious results from a cold. Cures la grippe cough and prevents pneumonia and consumption. Contains no opiates. The genuine is in a yellow package. Refuse substitutes. Dreier & Bro.

FEAR U. S. COMPETITION.

London.—British manufacturers of electrical machinery are being urged at present to devote more attention to the Mexican trade. It is well known that there is a large market for electrical goods in Mexico, but it is asserted that British manufacturers are falling behind in their competition with American firms.

Doing Business Again.

"When my friends thought I was about to take leave of this world, on account on indigestion, nervousness and general debility," writes A. A. Chisholm, Treadwell, N. Y., "and when it looked as if there was no hope left, I was persuaded to try Electric Bitters, and I rejoice to say that they are curing me. I am now doing business again as of old, and am still gaining daily." Best tonic medicine on earth. Guaranteed by Dreier & Bro., druggists. 50c.

In the Chinatown of every city the grocers sell toothpicks made of walrus whiskers. These are excellent toothpicks, and in China no fashionable dinner is complete without a bundle of them. From either side of the mouth of the walrus, whiskers, at once stiff and pliable, project. They are about four inches long, and the older the walrus the more elastic are these hairs. When the Alaskans kill a walrus they pluck out the whiskers with tweezers, and, bundling them up in neat packets, they ship them, when there are enough, to China.

It is a well known fact that persons living in the Pine forests do not suffer from kidney disease. One dose of Pineules at night usually relieves backache. 30 days' treatment, $1.00. Your money refunded if not satisfied. Sold by Meyer Bros. Co., 3 stores, 602, 902, 1424 Calhoun street.

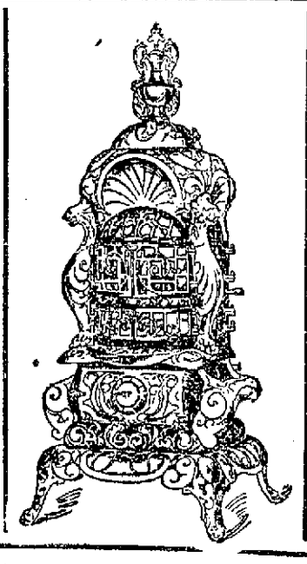

Queen Taitu, the consort of Menelik, is an elderly and dignified woman, good looking according to the Ethiopian point of view, and a great stickler for etiquette.

Take something now and then to help the stomach. Kodol will do this. It is a combination of natural digestants and vegetable acids and contains the same juices found in a healthy stomach. It is pleasant to take. It digests what you eat. Sold by all druggists.

SUSPECT A PLOT TO BLOW UP SALOON BUILDING.

(Continued from Page One.)

end or leaving it at or near the time of the explosion.

Miss Emanuel's Story.

Miss Julia E. Emanuel, who conducts a pharmacy in the Arcade building, was in there alone and heard the explosion. The jar did not even rattle the bottles on her shelves or break anything in the store. She thought the skylight had fallen in when she heard the crash of the glass and she walked to the door.

By that time a dozen or more people had gathered and a few minutes later there was a big jam, but she saw nobody running away and there was nothing to excite her suspicion. Four families live on the west side of the structure, but none of them saw anybody. All were frightened, but nobody was injured as that side is intact.

Achenbachs Were Scared.

Mr. and Mrs. Henry Achenbach occupy the apartments on the third floor of the Old National bank building which abuts on the alley. They were in a room in the rear near one of the windows and the explosion sent fragments of shattered glass whizzing by them but they were not hurt. They ran to the front rooms expecting a repetition of the noise but when nothing further took place they looked out and could see nothing more than the gathering crowd.

In the Jackson saloon at the time were Ed French, the bartender and two customers and all were sitting at a table. French had just a moment before the charge went off closed the door leading into the alley. He said that he and the two customers were raised from the floor by the concussion and that fearing another explosion they ran out.

Men In Rooms Above.

It is said that there were at least three and probably four men in the rooms above the saloon. So far as can be learned no games were in progress, save that two of the men were playing seven-up for a quarter a corner and one had won 75 cents out of a dollar from the other when they were startled by the loud detonation and the falling glass.

They were inclined to treat it lightly at first and the winner remarked, "That's just my luck. If I ever win anything something blows up." Then it occurred to them that there might be another crash and they scurried down stairs and out of the place.

The only other persons effected by the explosion were the members of the family of F. L. Bartbold of the E. Gregg Davis agency. They were scared by the explosion and window lights were blown from the rear of their rooms over the Walkover shoe store but they were not hurt.

Green's Store Damaged.

The force of the explosion cut some queer capers in the store of Dallas F. Green, the Arcade jeweler. The rear door of his place that opens on the alley is protected by a heavy grating and this was not disturbed in the least, but the door was blown from its hinges and the glass shattered.

A few feet from the door is a wooden screen and there were dozens of small particles of glass imbedded in this and a big indentation that indicated it had been made by a stone. The glass was blown from a number of wall cases and a strange feature is that the ends farthest removed from the alley were most damaged. One pane of glass was broken in the front of the store and several show cases were damaged badly. He placed his loss at $100.

An investigation this morning revealed that two cut glass tumblers in a case that extends along the west side of the store were broken. No glass was broken in the case proper and Mr. Green says he thinks the explosion cracked the tumblers. He was on the scene a short time after the explosion and made an investigation but had no theory to offer.

The Property Loss.

There were a few panes of glass broken in the third story windows of the Old National bank building but the loss is nominal. The building occupied by Jackson is the property of B. H. Barnett and every glass in the rear was broken and will have to be replaced.

The next building south is occupied by the Lehman clothing store. Ben Lehman, the proprietor, stated this morning that he had sustained no loss to stock. The building is owned by Peter Certia and only a few panes of glass were left in the windows.

The Walkover shoe store is next and the glass was also badly shattered and nearly all of it will have to be replaced. This is owned by the Agsters. Joseph Mommer owns the next building occupied by the Pingree shoe store and all of his glass was gone. There was slight damage to the next building occupied by Trinkley & Koerber, jewelers.

Nearly Hundred Lights Out.

The Arcade is owned jointly by James Barnett and Henry M. Williams. The east side is occupied entirely by offices, with the exception of the Green jewelry store. There were just two whole window panes left in this side and these are in the second story front. The ground floor is occupied by Dr. S. H. Baker's dental office, N. Damus' rug store and Phelps' news stand. There was nobody in any of the offices or stores at the time of the explosion.

A question of insurance was brought up during the day and the majority of the agents agree that unless there are special clauses in the policies providing specifically for such losses the companies are not liable.

Ignorance Save Property.

Experts who looked over the ground this morning advance the conjecture that from two to three pounds of dynamite was used and that it was touched off by means of a fuse. While the general tendency of the force of exploded dynamite is downward, it is almost equal in all directions and the fact that the charge was placed over an open grating resulted in the saving of some property.

The cellar below the grating relieved the concussion very materially and less was expended in other directions than would have been the case had the dynamite been placed on the brick pavement. The foundation was not much damaged, only a few brick being torn out and a number cracked.

Patrolman Frank Cheviron passed through the alley a short time before the explosion and was on Wayne street when it took place. He went back and was joined by Patrolman Barr and both began an investigation after having summoned Captain Reicholderfer and the officers from headquarters. A man is said to have ran past the Aveline hotel immediately after the explosion and an effort was made to locate him.

Heard All Over Town.

The explosion was heard in all parts of the city and in the immediate vicinity the noise was deafening. There were telephone inquiries from all portions of the city and the great wonder is that nobody was hurt or killed. One man was picked up in a dazed condition on the street across from the alley, but he had apparently been stunned by the concussion and is not believed to have been a party to the explosion. He was assisted by a business man, who afterward reported the matter to the police, but nothing developed from it.

Hay's Hair Health

Never Fails to RESTORE GRAY HAIR to its NATURAL COLOR

No matter how long it has been gray or faded. Promotes a luxuriant growth of healthy hair. Stops its falling out, and positively removes Dandruff. Keeps hair soft and glossy. Is not a dye.

GERMANS VICTORS IN RACE OF THE AIRSHIPS.

(Continued from Page One.)

aeronautics, with every racing record broken, the second international cup competition, which started from here on Monday last, ended yesterday, with Germany accorded the winning laurels. The finish of the race was the closest and most exciting the followers of the sport have ever known, the victorious German balloon, the Pommern, which landed at Asbury Park yesterday morning, having but barely ten miles the advantage of the French contestant, L'Isle de France, second in the race, which descended during the afternoon at Herbertsville, N. J., a few miles from the Atlantic coast and slightly northwest of Point Pleasant.

Americans Finish Fourth.

Another German balloon, the Dusseldorf, stands third in the race. American entires are fourth and fifth, a third German team is sixth, a French team seventh, an American eighth and the English team abandoned the race at Memphis, Ohio, where they descended on account of the illness of one of the aeronauts.

The unofficial estimated air line flight of the Pommern is 880 miles and that of the L'Isle de France is 870. The Dusseldorf landed near Dover, Del., and is estimated to have covered 790 miles. The official measurements will be computed at the geological survey of the United States government at Washington.

Only the proximity of the Atlantic ocean stopped the wonderful flight of the Pommern. The balloon could have remained in the air many hours longer and undoubtedly would have added several hundred miles to its record but for the expanse of water ahead.

Close Race for Cup.

News of the landing of the Pommern was received here at an early hour yesterday and was followed by reports of the descent of every other contestant in the race with the exception of the L'Isle de France. The race was at once conceded to be between these two, and when a report was received at noon to the effect that the French craft had been sighted in the vicinity of Asbury Park intense excitement prevailed. There were many predictions that the contest would result in a tie for first honors.

When the L'Isle de France did not descend at the point selected by the German leaders in the race there was a belief that the French aeronauts might, after all, be declared the winners. Evidently a contrary current caught the L'Isle de France, however, and blew the craft back to the southwest.

Realizing that their supply of gas was low and that they were losing ground the occupants of the French basket decided to make a rapid descent as near the coast as possible.

Race and Duration Records Broken.

While losing the distance record and possession of the cup, the French team sailing Isle de France gained the honors of the world's record for duration of flight. Starting from here at 4:10 p. m., central time, they landed yesterday at 1:10 p. m., eastern time, making their time in the air just 44 hours. The previous record was 41 hours, 5 minutes, held by Count de la Vaulx of France.

The record of the international race, set by the balloon United States in the flight from Paris last year, was 402 miles. This was more than doubled by the Pommern and the French balloon. In fact, but one of the nine contestants in this year's race failed to exceed the 1906 record.

The result of the race ended yesterday—the first of its character ever held in this country—has qualified the United States, in the opinion of all the ballooning experts gathered here, as the most favorable aeronautic ground in the world.

Next Contest in Germany.

Germany having won possession of the silver trophy, presented by James Gordon Bennett, the race next year will be in the home of the German Aero club. Final possession of the trophy rests with the club which wins it three times.

The balloon United States, which finished eighth in this year's contest, was the winner in 1906, gaining a leg on the cup for the Aero Club of America, the newest recruit in the aeronautic confederation of the world. Aside from possession of the cup, the Germans won a cash prize of $2,500, also offered by Mr. Bennett.

The world's record for distance flown is 1,300 miles, held by Count Henry de la Vaulx. There is some doubt as to whether this distance means a measured air line flight or the total number of miles traveled in drifting currents. All of the balloons in this year's race traveled more miles than the figures with which they are accredited, but only the air line measurements are considered in the award of the prizes.

Beachey Airship Wins.

Interest in the balloon contest did not prevent yesterday's program at Forest Park. Sailing to windward and return over a course measuring one mile and a half from start to finish, Lincoln Beachey, of Toledo, O., won the dirigible balloon or airship race, which marked the close of the St. Louis Aeronautic carnival of 1907. The prize was $2,000.

In his "Beachey Airship," a cigar shaped affair, propelled by a four cylinder gasoline motor, the winner covered the distance in four minutes and forty seconds.

Jack Dallas, in the "Strobel Airship," a sister craft to the Beachey, won second place, with a time record of six minutes and ten seconds, while Capt. Thomas S. Baldwin of New York, in the "California Arrow," was third, in seven minutes and five seconds. A fourth competitor, the "Comet," entered by Charles Baysdorfer, of Omaha, Neb., and sailed by Horace Wild, did not complete the first trial of the course, the motor breaking.

The Israel Ludlow aeroplane was to have given an exhibition flight attached to an automobile, but was too badly damaged by coming in contact with the exposed gaspipes that were used in the inflation of the balloons contesting in the international cup races.

AUTOIST HELD FOR MURDER.

Kills Five-Year-Old Child as Machine Passes Through Street.

New Albany, Ind., Oct. 24.—Roy McCurdy, five years of age, a son of Charles McCurdy, was killed by an automobile in State street late yesterday afternoon. The machine was the property of Herman Marshall, of 503 East Broadway, Louisville, and was driven by William Riplinger, who was arrested on a charge of murder. Besides Riplinger, Mrs. Marshall and her three children and her mother, Mrs. Carrie Rapp, were seated in the car. The women and children were permitted to return to Louisville, but Riplinger was locked up without bond, the coroner returning a noncommittal verdict.

FARMERS' HEAD LOSES OFFICE.

National Convention Ousts President of American Society of Equity.

Indianapolis, Oct. 24.—J. A. Everitt, president of the American Society of Equity, the farmers' organization, that extends to every state in the union, was ousted from office yesterday by the national convention and declined to be a candidate for re-election. The opposition was so overwhelming that Everitt was beaten at every point, and, seeing certain defeat, announced that he would not be a candidate for the presidency or any other office. Formal charges of using the organization to advance his personal interests and of neglecting its duties were in the hands of his enemies, but were not presented to the convention.

FREE LECTURES TO EMPLOYES.

Company at Kewanee Arranges for High-Class Entertainment.

Kewanee, Ill., Oct. 24.—The Western Tube company of this city has announced it will provide a course of high-grade popular entertainments and lectures this winter free to its 4,000 employes. The entertainments are to be given in the armory. Wives of employes will also be welcomed free. Congressmen Charles B. Landis and James E. Watson, Dr. Russell H. Conwell, Dr. Herbert and Dr. Frank Dixon are some of the lecturers. This is said to be the first time such a plan has been adopted by an industrial concern.

EGG SHOWER FOR REVIVALIST.

Attack on Mr. Craig Follows His Remarks in an Ohio Church.

Toledo, O., Oct. 24.—When Evangelist Craig, of Chicago, left the Methodist church at Jackson Center, Ohio, last night he became the target for a shower of eggs of various ages. At a revival meeting held before the attack the evangelist said that some of the men and women of the town were whisky soaks and announced that the mourners' bench was not for members of any lodge. Mr. Craig left town last night and the revival meetings announced for the remainder of the week will not be held.

SATURDAY SPECIAL.

AT AURENTZ'S

Assorted Cream Mints, regular price, 30c lb.; for Saturday only, 17½c lb. 24-2t.

S. Bash & Co. just received a car load of fancy winter apples, Northern Spys, Baldwins and Greenings. Call early.

NO FURTHER DONATIONS ARE NEEDED AT FONTANET

Mines Resume Operations in Wrecked Town—Dead Number 26.

Terre Haute, Ind., Oct. 24.—William Sherrow's death makes the twenty-sixth fatality from the Fontanet explosion. Sherrow was twenty-five years old.

The relief committee makes the announcement that it has plenty of funds and further donations will not be needed. The mines are again in operation and as most of the men who were employed in the powder mill are miners, the survivors find ready employment.

CITY BREVITIES.

The report that Jay H. Lewis has been visiting his children was an error. Mr. Lewis explaining that he has no children to visit.

A big game of basket-ball at the rooms of the Miami Athletic club will be the feature this evening, the Miamis meeting the First Nationals. Coach Jarrett will play with the Miamis.

The Sunday School Teachers' Training class will meet in the First Baptist church Monday evening, October 28, at 7:45 o'clock. The lesson will be a review of all the lessons gone over up to lesson No. 5.

The Social Afternoon of the Wayne Street Methodist Episcopal church will be held tomorrow afternoon with Mrs. H. L. Askew, 715 Jackson street. Assisting Mrs. Askew will be Mrs. Robert Harding, Mrs. H. O. Wilson, Mrs. J. P. Tinkham, Mrs. G. W. Kiesling, Mrs. Shiloh Langford, Mrs. Louise VanArnam, Mrs. Jane Work, Mrs. W. A. Jones and Mrs. Coppock.

The revival meeting at Trinity M. E. church will continue all this week. The sermon last night by Miss Godwin, the deaconess, was one of the most effective and heart-searching that has been preached in the church. The subject was "Good Soldiers of Jesus Christ." Friday at 1 p. m. the deaconess will speak to the young people, illustrating her talk with candles.

Impressive services will mark the opening of the devotion of the Forty Hours at St. Patrick's church tomorrow morning. The discourses during the three days will be delivered by Rev. Father O'Hern of the Cleveland Apostolate. Since October 14, Father O'Hern has been performing the pastoral duties at St. Bernard's church, Wabash Ind., in the absence of Rev. Robert Pratt who was among the missionaries of the Apostolate and with whom he will be associated in a year or two in active mission work.

CRIES WOMAN, END CHILD LABOR.

Mrs. Charles E. Buell of Madison, Wis., Makes Appeal to Federation of Clubs.

Fond du Lac, Wis., Oct. 24.—Mrs. Charles E. Buell of Madison, president of the Wisconsin Federation of Women's clubs in her annual address yesterday, in regard to stamping out the child labor evil, said:

"Have we no responsibility for this? We participate in this evil to the extent of purchasing and wearing the products of child labor. As women of intelligence, we long ago discarded the use of song bird plumage in millinery. Is it not equally distressing, though perhaps at present unavoidable, to be wearing hats and gowns made of fabrics produced by the life taking work of our children? Let us not rest content until we have done all in our power to blot out this national disgrace. Surely this great country of ours does not need to draw upon future generations to gratify its present greed."

Miss Lutie E. Stearns of the Wisconsin free library commission and one of the leading members of the federation reviewed the work of the clubs before the last legislature, which was memorialized for a better juvenile court law, tenement and lodging house bill, child labor laws, and the regulation of billboards. Success attended the efforts of the women in a majority of cases.

SOLDIERS' Y. M. C. A. DEDICATED.

Building Presented to Fort Leavenworth by Miss Helen Gould, Opened.

Leavenworth, Kan., Oct. 24.—The army Y. M. C. A., erected at a cost of $5,000 and presented to the soldiers of Fort Leavenworth by Miss Helen M. Gould, was dedicated in the presence of the donor yesterday afternoon. There was a distinguished company of military officers and citizens present.

The reception of the enlisted men to Miss Gould last night was a unique and brilliant affair. The 2,500 men in the garrison, in full-dress uniforms, called and were presented. Miss Gould had a friendly word for all who greeted her and seemed pleased with the novelty of it.

Miss Gould was tendered the compliments of a brigade review. She decided to accept the honor.

FIFTY NEAR DEATH IN RIVER.

Passengers Try to Leave Car and Bridge Has No Floor.

Pittsburg, Pa., Oct. 24.—Fifty passengers and the crew of a Pittsburg Railway electric car had a narrow escape from death yesterday at McKeesport, Pa., near here. The car started across the Fifth avenue bridge over the Youghiogheny river, and when about the middle of the structure jumped the track. Immediately the passengers became panic-stricken and attempted to leap from the car, but were prevented by the conductor. The bridge floor is being repaired, and had the passengers left the car they would have fallen into the river fifty feet below.

HAD BETTER LUCK.

Roosevelt's Chief Beats Chief in Hunting Trip.

Helena, Mont., Oct. 24.—Harry W. Child, who accompanied William Loeb, jr., secretary to the president, on a hunting trip near the Yellowstone national park, returned yesterday. He reports that the party had better luck than President Roosevelt had in the canebreaks of Louisiana. Secretary Loeb, who is still in camp, will leave for Washington Friday evening.

OPERATORS RESUME WORK.

Helena, Mont., Oct. 24.—Ten operators were at work in the Western Union office yesterday, having been reinstated following the resolution passed at a meeting of the local declaring the strike off as far as this city was concerned.

The Postal force was also reinstated yesterday. The operators in Great Falls are affiliated with the Helena union and it is understood all the operators there will return to work today.

PRESIDENT KANE RESIGNS.

H. J. Heinz Chosen to Head Winona Assembly Directors.

Warsaw, Ind., Oct. 24.—Thomas Kane, of Chicago, who for fourteen years has been president of the board of directors of Winona Assembly, resigned today. H. J. Heinz, of Pittsburg, was named to succeed him.

TWO VILLAGES DESTROYED.

Earthquake Shocks in Italy Cause Considerable Damage.

Rome, Oct. 24.—Earth shocks throughout Calabria yesterday caused considerable damage, destroying two villages but so far as known only ten lives were lost.

WARM UNDERWEAR FOR MEN

We are Clothiers — In the fullest sense of the word. We begin at the skin and furnish as many thicknesses of clothes as you require and in any grade you wish; as low as goodness permits.

Today we talk Underwear — Because it is time you had your winter supply and we have an enormous stock of the very kind you need.

We have the best Makes — For the man who can't be healthy without wool near to his skin and quick to please the man who believes wool is poison.

Two-piece Suits or Union Suits — To fit the tall man, medium man, a fat man. We have underwear to please the laborer, the mechanic, the student, the clerk, the bookkeeper, the merchant, the politician—every body.

Priced as Low as 50c. And as high as $7.50

TALKING MACHINES OF ALL KINDS

Consider what the Edison Phonograph means in home. It is like an additional member of the family—one who is never tired of doing its part toward amusing the rest.

It is not limited to a few simple stunts. It can talk, (and you must not forget that it is one of the most marvelous discoveries of the age, that a machine can be made which will talk); it will reproduce singing and instrumental music with all the dash, swing and resonance of an actual brass band, piano or human voice.

That is what the Edison Phonograph means in hundreds of homes. It would mean it in yours if you would go to The Fort Wayne Phonograph Co., 929 Calhoun street and listen to it.

You would take it home that very night.

BULLETIN.

At 3:15 o'clock this afternoon an alarm of fire was turned in from the state school for feeble-minded youth, where a blaze had started in the paint shop in th industrial building.

It is not believed the blaze will prove extensive. Engine companies 1, 3 and 6 were sent to fight the flames.

At 3:35 o'clock it was announced that the fire was extinguished and that the loss was merely nominal. The blaze originated in the roof of the building. Inmates at work there ran from the building, but quiet was soon restored.

BRIGHTER HUE IN FINANCIAL SKIES

(Continued from Page One.)

it is considered, cannot fail to help what in some respects is the most acute money crisis New York city has seen since the Grant-Ward failure in 1884.

Three Small Ones Suspend.

At 9 o'clock this morning it was announced that the Hamilton bank had decided to suspend payment. A notice posted on the doors of the bank this morning announced that the bank was solvent, but in justice to depositors payment had been suspended until public confidence in banking institutions was restored.

E. R. Thomas, who was associated with F. A. Heinze and Charles W. Morse, in several banks and financial ventures was formerly president of the Hamilton bank but resigned after the break in United Copper stock which marked the beginning of recent financial troubles in this city.

Orlando F. Thomas, brother of E. R. Thomas, also recently resigned as a director and Wm. R. Montgomery was elected president. The bank has a capital stock of $200,000 and deposits of about $7,000,000. The bank has four branches in New York city.

The Hamilton bank is not one of the large institutions in the city. Its location in Harlem gave it quite a good neighborhood business but it never was in any way a representative New York bank.

Takes Advantage of Law.

The Empire City Savings bank, located at 231 west 125th street, posted a notice today, announcing their suspension for thirty days under the banking laws. The officials of the bank declare that the institution is entire sound but that they decided to avail themselves of the thirty days' withdrawal under the state law, because they feared a run owing to the suspension of payment by the Hamilton and Twelfth Ward banks in the same neighborhood. The Empire City Savings bank, according to a recent statement, owed its depositors about $3,300,000. The Empire City Savings bank is a comparatively minor organization and does not rank among the great metropolitan institutions. Its suspension is without bearing on the general financial situation in New York.

Twelfth Ward Bank Quits Also.

A little later came news that the Twelfth ward bank had suspended. According to a recent statement the institution owed depositors $3,000,000.

The run on the Dollar Savings bank in the Bronx, which began Tuesday, continued today. Nearly 300 depositors waiting for an opportunity to withdraw their savings were lined up outside the building when daylight came. Many of them, a majority of whom were women, had stood all night in the line. A large percentage of the Dollar bank's depositors are foreigners.

As was the case yesterday, large crowds gathered in Wall street today. Many of those in the throngs were merely sight-seers, drawn to the financial district by curiosity. Extra police were sent to Wall street to keep order and keep the crowds in motion and a detail of mounted police was ordered to the scene to aid the patrolmen.

Bankers and brokers having in charge the placing of loans for John D. Rockefeller, were instructed this morning to make all loans at the rate of six per cent.

The situation of the Trust Company of America at noon was appreciably better. President Thorne said to the Associated Press that they were getting on very well; that a good many deposits were being made and that the withdrawals were by no means so heavy as they had had reason to expect from yesterday's experience; that the applicants to the paying teller's windows had fallen off both at the parent bank and at the Colonial branch and that he had no solicitude as to the future.

The National City bany placed $200,000 on the floor of the Stock exchange to be loaned as yesterday in $50,000 lots at six per cent.

About 300 depositors of the Lincoln Trust company, were waiting at the doors of that institution today when it opened for business. As the weather was cold the depositors were becoming impatient when Louis Stern, a leading dry goods merchant and a director, arrived followed by a string of cabs, carrying messengers with heavy loads of gold and currency which was carried into the bank in view of the depositors. Mr. Stern said the company would pay every depositor who wanted his money.

The United States sub-treasury today put into effect Secretary Cortelyou's promise to make further deposits, amounting in all to $25,000,000 to the New York banks. As fast as collateral was offered by the banks the sub-treasury deposited United States funds with them, the supply being maintained by heavy shipments of currency from the treasury at Washington.

The National City bank and the First National bank, two of the strongest banks in the city, were co-operating today with J. P. Morgan & Company and others in efforts to relieve the stringency in the money market by furnishing heavy loans at normal rates of interest to the other bankers and brokers whose needs were urgent.

RUN AT PROVIDENCE.

Providence, R. I., Oct. 24.—Depositors at the Union Trust company in this city began about noon today withdrawing their money. Before the close of banking hours large numbers had been paid.

Marsden J. Perry is president of the Union Trust company. Mr. Perry is also connected with the Trust Company of America, the New York institution which for two days has withstood an unusually heavy drain.. The Union Trust company was organized in 1894, with a capital of $500,000. Its last statement showed deposits of $28,721,489; resources, $31,222,693; surplus, $2,001,204.

ROBBED WHILE SHE WAITED.

Woman Joins Throngs at Bank and Her Home is Burglarized.

New York, Oct. 24.—Mrs. Theodore Schultz, wife of an automobile dealer, living in the Bronx, had a comfortable sum deposited at the Harlem branch of the Knickerbocker Trust company. She left early to withdraw it yesterday. She lingered around the closed bank with others until the afternoon. When she returned home she found that burglars had removed everything of value that they could carry. The property was valued at $2,000.

ORDERS LEGAL HOLIDAYS.

Reno, Nev., Oct. 24.—Owing to the general feeling of unrest that pervades financial circles, Governor Sparks has ordered today, Friday and Saturday legal holidays. All the banks in the state are taking advantage of this respite to get their affairs in such shape as to make a failure impossible.

Hadn't Heard of Trouble.

It was announced early this afternoon that John D. Rockefeller had deposited $10,000,000 with the Union Trust company, one of the city's oldest and strongest trust companies, the money to be used by that company in aiding the trust company situation generally. Among the bankers who conferred with J. Pierpont Morgan during the day was Jacob H. Sciff, head of the firm of Kuhn, Loeb Company. At the close of this talk Mr. Schiff said:

"The situation is well in hand. I look for no more trouble and, in fact, have beard of none."

DECLARED INSOLVENT.

Philadelphia, Oct. 24.—Local banking and business circles received a surprise today when it became known that the Fisheries company, a corporation which is the principal factor in the Menhaden fishing industry, with offices in this city, has been declared insolvent and temporarily receivers were appointed. The liabilities of the concern exceed $430,000.

AFTER SOUTHERN STEEL.

Birmingham, Ala., Oct. 24.—An involuntary petition in bankruptcy was filed in the federal court this afternoon against the Southern Steel company. The creditors seeking the bankruptcy order are the Birmingham Steel and Iron company; the Sayre Mining and Manufacturing company, and the Cahaba Coal company. The Southern Steel company is capitalized at $25,000,000 and owns a big steel plant at Gadsden, steel rod wire and nail mills at Ensley, coal mines at Altoona and Virginia City and ore mines throughout the Birmingham district, as well as coke ovens and other properties. Moses Taylor, of New York, is president, and E. T. Schuyler, of Birmingham, general manager.

F. L. Smock has returned from Chicago, where he went on business.

Jas. McElvane, of Rome City, has been re-enlisted for Philipine service by Sergeant Simms of the local United States Army recruiting office, and left today at noon for Columbus, enroute for San Francisco.

James Harper, of Muncie, is in the city the guest of his sister, Mrs. S. H. Baker, of W. Wayne street.

Roy Russell, of Decatur, is in the city on business.

THE BIRTH RECORD.

Born, to Mr. and Mrs. Christ Voight, of 2505 Fox avenue—a son.

Born, to Mr. and Mrs. Albert Tracey, of Marion street—a daughter.

Born, to Mr. and Mrs. Henry Taylor, 1024 Hoagstis avenue—a son.

FUNERAL ANNOUNCEMENTS.

Hite—Funeral services of Emma L. Hite will be held Friday morning, at 10 o'clock from the residence, 2 East street, Rev. George I. Cooper officiating. The interment will be at Lindenwood.

THE MARKETS

GRAIN AND PROVISIONS.

Chicago Market.

Chicago, Ill., Oct. 24.—The wheat market today opened weak, prices breaking to nearly 1c below the close of yesterday. Trading was very light, the fear of possible complication in New York causing traders to be wary of new transactions. Cables were strong. December opened ½@¾c lower at $1.00⅝ to $1.01 and sold at $1.00¾. Minneapolis, Duluth and Chicago reported receipts of 576 cars. The wheat market became very weak on the first break in stocks and December declined to 98⅛c. The close was weak with December off 2¼c at 98⅝@98¾c.

Trading was light in the corn pit and prices were inclined to be weak. December opened ⅛@¼c lower to ¼@⅜c higher at 58c to 58⅝c and sold at 57¾@58¾c. Local receipts were 348 cars. The low point for December was 56⅞c. The closing was weak with December off 1⅛@1¼c at 57c.

Oats market dull and weak. December opened ¼c lower at 51c and sold at 50⅜c.

January pork was 2½c lower at $14.70. Lard was 15c lower at $8.55. Ribs were 2½c lower to 2½c higher at $7.60@7.55.

The Close.

Prices at the close were as follows:

Wheat—December, 98⅝@98⅞c; May, $1.05¾.

Corn—December, 57c; May, 59⅛@59⅜c.

Oats—December, 50¼@50⅜c; May, 57⅜c.

Pork—January, $14.75; May $15.05.

Lard—January, $8.52½; May, $8.65@8.67½.

Ribs—January, $7.67½@7.70; May, $7.92½.

Rye—Cash, 82@84c.

Barley—Cash, 70@95c.

Flax, Clover and Timothy—Nothing doing.

Toledo Grain Prices.

Toledo, O., Oct. 24.—Opening Prices—Wheat—Cash, $1.02; December, $1.03@1.03¼; May, $1.08¼; July, $1.02.

Corn—December, 59¼c; May, 60⅞c; July, 60⅞c.

Clover Seed—Cash and October, $10.10; December and March, $9.86.

LIVE STOCK.

East Buffalo Market.

East Buffalo, N. Y., Oct. 24.—Hogs—Receipts today, 4,080 head; shipments, 1,520 head; shipments to New York, 1,320 head; official shipments to New York yesterday, 1,900 head; hogs mstly sold at a decline. Heavy, $6.40@6.50; mixed, $6.40@6.55; Yorkers, $6.40@6.50; pigs, $6.00@6.15; roughs, $5.50@5.80; stags, $4.00@5.00.

Cattle—Receipts, 625 head; market unchanged.

Sheep and Lambs—Receipts 3,800 head; top lambs, $7.40; sheep, market steady; lambs, market closing weak.

Chicago Market.

Chicago, Ill., Oct. 24.—Cattle—Receipts were 11,000 head; market 10c lower; beeves, $3.65@7.25; cows, $1.25@5.10; calves, $5.00@7.50; Texans, $3.50@4.40; westerners, $4.25@5.85; stockers and feeders, $2.40@4.55.

Hogs—Receipts were about 36,000 head; market 10c to 15c lower; light, $5.40@5.95; mixed, $5.50@6.00, heavy, $5.25@5.95; roughs, $5.25@5.45; pigs, $4.00@5.35; bulk of sales, $5.00@5.80.

Sheep—Receipts were 20,000 head; market 10c to 25c lower; native, $3.75@5.60; western, $2.75@5.60; yearlings, $5.30@6.10; lambs, $4.75@7.40; western, $4.75@7.60.

Cincinnati Market.

Cincinnati, O., Oct. 24.—Hogs—Market slow; butchers and shippers, $6.20@6.35; common, $5.00@6.10; extra, 150 pounds, $6.30@6.35.

Cattle—Market slow and weak; fair to good shippers, $4.65@5.40; common, $2.20@2.75.

Sheep — Market steady; $2.25@5.25; lambs, market steady; $4.30@7.00.

PRODUCE AND POULTRY.

Chicago Market.

OIL.

Toledo Market.

Toledo, O., Oct. 24.—North Lima, 54c; South Lima and Indiana, 99c.

STOCKS AND BONDS.

The Day on Wall Street.

New York, Oct. 24.—Prices of stocks shot up buoyantly in the opening dealings as an expression of relief over the measures taken over night to fortify the financial position. Early advances in London heralded the recovery here. Westinghouse Electric rebounded 10 points from yesterday's closing and then reacted 5 points.

American Tobacco preferred jumped 4¾, Baltimore & Ohio 2¾, General Electric 2½, Union Pacific, Southern Pacific and Atchison 2, Great Northern preferred 1¾, St. Paul and American Smelting 1½, American Ice 1¾, Amalgamated Copper 1½ and a general range of advances running up to a point. A few stocks ran off contrary to the current of the market, Minneapolis, St. Paul & Sault Ste Marie falling 4½, Southern Pacific 1¾, Interborough Metropolitan preferred 1¼, and Missouri Pacific and Toledo, St. Louis & Western 1. After the opening burst of activity the market became quieter and there was some reaction.

The confidence did not hold long, hastily realizing and renewed liquidation in some stocks. Missouri Pacific was forced off 4 points and Manhattan 4½. Wide declines in active stocks were Federal Mining preferred 20, International Pump preferred 6, New York Air Brake 5, Corn products preferred 4½ and Baltimore & Ohio preferred 3⅝.

Day's Happenings in the Industrial World

SWITCHMEN WANT INCREASE.

Eastern Men Will Present Demand Next Monday.

Buffalo, N. Y., Oct. 24.—Representatives of every railroad yard on the Niagara frontier, met here at the conference of the Switchmen's Union of America last night, to present on Monday a demand to the officials of the various roads for an increase of wages of six cents an hour, double pay for Sundays and holidays, and time and a half for overtime.

FREIGHTS IN A COLLISION.

Come Together in Portland Yards and One Man Was Killed.

Two engines hauling freight trains on the G. R. & I. road came together head-on in the Portland yards of the company at 11:30 o'clock yesterday morning, killing Clem Bowes, a young man whose home was in Geneva, and breaking the pilot of one of the engines. A southbound through train was just entering the railway yards, when the engine of the local train which was bound in the opposite direction came out on the main tracks from a siding pulling some cars. The impact caused the cars of the through freight to bow upwards until the wheels of one of them was clear off the rails and when the slack occurred, the car settled down in position, with all of its wheels on the rails. Bowes was riding on the coupling of the third and fourth cars and when the impact came, the draw bars were driven in and he was crushed until not a whole bone in his body remained. None of the train crew was hurt. The engines that figured in the collision were No. 61, with C. Taylor at the throttle, and No. 74, with John Hanson at the throttle. The tracks were soon cleared and traffic was not interrupted.

COMMENDATION FOR FIREMAN.

Charles H. Rutledge Praised for Heroic Deed.

Fireman Charles H. Rutledge has been personally commended by Supt. E. F. Brooks and the attention of President James McCrea and General Manager W. W. Atterbury called to him for a heroic deed performed at the risk of his life at Chester, Pa., a few days ago.

While firing an engine on a stone train along the track near Port Deposit, Md., Rutledge noticed a small child playing on the track, but a short distance ahead of the engine. On seeing the approaching train, the child fell between the tracks, and, though the enginemen had already applied the brakes, it seemed too late. Rutledge ran out over the running board of the engine, and, jumping off to run ahead of the train, he grabbed the child just before the train passed.

"MAC" CRULL POISONED.

"Mac," the intelligent and valuable bird dog belonging to Engineer Barney Crull, of the Pennsylvania, is dead and his demise is the result of an act of a heartless fellow who placed poisoned food so "Mac" would get it. Mr. Crull offers a reward of $100 for information that will lead to the identity of the guilty one. "Mac" had a gentle disposition, was a favorite with the children in the neighborhood of his master's home and was not by any means a nuisance or annoyance to any one. Mr. Crull does not know why the dog was poisoned, but he proposes to make it interesting for the responsible party if discovered.

HAND PIERCED BY FILE.

Karl Bahlinger, in term of service one of the oldest machinists at the Pennsylvania round house, was using a file yesterday, when the handle came off and the sharp end of the implement pierced his hand, entering at the palm and passing completely through the member. The wound bled profusely and will be very painful for several days, though no serious results are apprehended. Mr. Bahlinger will be unable to work for awhile on account of the injury.

AGREE UPON "SAFETY" PAPER.

A new "safety" paper has been agreed upon by the railroads for printing railroad tickets with a view of discouraging the "scalpers." The new paper was agreed upon at the meeting of the Association of General Passenger and Ticket agents, and is of two colors, so that erasures show in the differently colored paper. It is also treated chemically so that when acids are used for erasures it changes color.

ROBBED OF HER CASH.

Mrs. Bates, wife of Lieutenant W. G. Bates, of the Pennsylvania police force, had her pocketbook robbed of the cash it contained yesterday. Mrs. Bates attended a special meeting at the First Methodist church yesterday and left her purse in the pocket of her cloak in an ante-room at the church parlors and it was there that the thief found the money. There is no clue to the thief.

MOULDER TO MARRY TONIGHT.

A wedding of considerable interest to a large number of people will be that of Herman Baade and Miss Bertha Gerding, which takes place at 7 o'clock this evening at the home of the parents of the prospective bride, at the corner of Wall and Nelson streets, Rev. Moll officiating. Invitations have been issued to a large number of friends and the event is regarded with great interest.

PENNSY'S NEW YARD IN SERVICE

The new yard of the Pennsylvania Railroad company at Pitcairn was placed in service yesterday, and it is expected that the classification of freight in the Pittsburg district will be accomplished to a greater advantage than ever before. The new yard has a capacity of 3,300 cars. A number of officials witnessed the initial test of the classification of freight over the "hump" and claim that it is one of the best on the Pennsylvania system.

AUXILIARY SPECIAL MEETING.

The Grand International Auxiliary to the B. L. E. will have a special meeting in the hall tomorrow afternoon to make arrangements for the inspection next Wednesday. All of the members are requested to be present tomorrow.

NEW DEPOT AT SWISSVALE.

Bids will be invited within the next two weeks by the engineering department of the Pennsylvania Railroad company for a new passenger station at Swissvale. In the erection of a modern station, the elimination of the grade crossing and other changes at that place the railroad will expend about $175,000.

WABASH TO ENTER WASHINGTON.

Both the Wabash and the Western Maryland are to get into Washington over the Great Falls and Old Dominion, now being extended from Frederick, Md., according to statements made yesterday. The terminal is just across the bridge from Georgetown, and connection is made by a trolley line with the new union passenger station in Washington.

WILL BE FIREMAN.

Ed Yergens, for some time a clerk in the production department of the Fort Wayne Electric works, resigned his position this morning and will take a position as fireman on the Nickel Plate. Supt. G. F. Card, of the production department, has not yet assigned anyone to the vacant place.

INDUSTRIAL NOTES.

William Hawkins has taken a position as helper in the Bass boiler shops.

N. C. Petgen and J. W. Fletter, Pennsylvania shopmen, are sick and off duty.

Will Dosh, of the S. F. Bowser company, is off duty on account of the death of a relative.

After a week's illness R. Hall resumed work at the Pennsylvania copper shop this morning.

F. A. Irmscher, air-brake inspector at the Pennsylvania round house, is quite sick with a fever.

W. A. LaPoint, of the Pennsylvania boiler shop, has returned to his duties after being sick a few days.

Dispatcher W. G. Cartwright, of the G. R. & I., is entertaining his sister, Mrs. J. Frye, of Kalamazoo, who came down here yesterday to spend a week.

H. F. Bobay, of the Pennsylvania copper shop, has moved into the house at 228 Wood avenue.

A car load of wheels on axles left the Bass works today for Toledo, consigned to the Vulcan Iron works.

C. W. Moore, a painter at the Pennsylvania shops, has recovered from his recent illness and is at work again.

Machinists Ed White and O. W. Kamm have recovered from their illness and resumed work at the Pennsylvania shops.

Charles Ehrman, an apprentice in the Bass machine shop, has recovered from an illness which kept him from work a few days.

J. M. Lutes is a new car repairman at the Pennsylvania shops. John Baler is a new laborer in the shipping department at the shops.

Yesterday was the sixteenth wedding anniversary of Mr. and Mrs. Martin Braun. Mr. Braun is assistant foreman of the Bass boiler shop.

The Indiana Road Machine works will be closed next week for inventory. This is the dull season for that concern, but this year has been an exceedingly busy one and there is still plenty of work.

Nickel Plate train No. 1, due here at 11:50 o'clock, did not reach the city until 2:15 this afternoon. Late eastern connections and heavy travel were the cause of the delay.

Fireman H. S. Current is off duty to attend the funeral of his brother's wife, Mrs. Charles Current. Mr. and Mrs. Hoffman, of Warren, Ind., are in the city to attend the funeral also.

Machinist E. W. Lankenau, formerly of the Kerr Murray works, took a position at the Pennsylvania shops this morning. Earl C. Havens, formerly employed at the Queen restaurant, also took a position at the Pennsylvania shops this morning.

Machinist Conrad Brown, of the Pennsylvania round house, sustained a painful wound in one of his feet yesterday by a sharp pinch bar falling and striking the member. He was able to resume work after the wound had been attended to by the round house surgeon.

E. O. Miller, one of the recently promoted engineers of the Pennsylvania, comes from a family noted for the longevity of its members. The grandfather and grandmother on the father's side are residing at Lafayette, aged respectively 93 and 94 years and each in good health.

L. Pytel, an air brake man at the Pennsylvania round house, is threatened with blood poisoning as the result of an injury a few days ago which was at the time considered of not enough importance to give attention. His hand was scratched by a piece of brass and it is in bad shape now.

During the first ten months of this year the Bowser Oil Tank works turned out 50 per cent. more tanks than in a similar period of any of the previous years. Figures compiled by George Walda, foreman of the tin department, show that during the period mentioned 7,546 galvanized iron tanks were made in that department, exclusive of those turned out in the boiler department.

A peculiar accident to a car in Wabash train No. 63 occurred early this morning. At a point near Winter street a brake beam in Nickel Plate car 18,331 dropped down and dragged along, making a grove in the ties at the center of the track until it reached a point about seventy feet from the Hanna street crossing. There the wheels on one pair of trucks left the rails and ran along to the second frog in the Pennsylvania crossing, when the wheels climbed back in position. The car was only slightly damaged and was repaired in the yards today.

INJURED WIFE COULDN'T APPEAR IN COURT TO TESTIFY

Henry Schultz is Held Under Bond of $200—City Court Cases.

Mrs. Henry Schulz, is confined to her home at 2223 Gay street by reason of a long gash in her scalp inflicted last night by her husband and was not able to be in the city court this morning to testify against her husband whom she accuses of having inflicted the wound with a club.

A son was present and filed an affidavit against his father and the case was continued until next Tuesday under a bond of $200. Schulz is a foreman at the Bass foundry and last night Detective Lenz was called to the house and placed him under arrest. The son stated that he had to break in through a window to protect his mother and that in doing so he badly cut one of his wrists.

"Beer Gust" Got Away.

Gust Leischel, arrested under the name of "Beer Gust," was up for assault and battery on Mrs. Alvira Schulte. He stated that he was at the Schulte home drinking whisky out of a bottle with the head of the house and the wife came along and attacked him. He says he just got up and put her out of the room and sat down and took another drink. The case was continued indefinitely.

John McClelland was fined $5 and costs for drunkenness and Pat Welch, who raised a disturbance at home was let go with a lecture.

Nearly all railway stations in Germany are equipped with restaurants, and as a rule the restaurant is the only waiting room.

Mme. Patti speaks Italian, Spanish, Russian, German, French and Portuguese perfectly and, of course, her English is faultless.

SHOT HIS ATTORNEY; THEN ENDED HIS OWN LIFE

Judge Bramwell, of Laramie, Mortally Wounded by Aged Client.

Laramie, Wyo., Oct. 24.—William Lepper, for thirty years a resident of this city, yesterday shot Judge Charles W. Brammell three times, in the law office of the latter, then turning the revolver upon himself blew out his own brains.

Judge Brammell is still alive but has three bullet wounds in the head. One shot shattered both bones of the lower jaw and another severed the palate. He has a chance for recovery, but his advanced age is against him.

Lepper, who was an old man, has been in constant litigation for the past eight years over property in this city, which he lost title to by giving it as security on a deal in stocks. He had attempted to regain the title through the law, which refuses legal standing to a gambling debt.

Had Threatened Lives.

Judge Brammell, when on the bench several years ago, gave a decision favorable to Lepper, which was reversed in a higher court. Judge Brammell later acted as attorney for Lepper and it appears that Lepper believed that he had not properly looked after his interests. Lepper returned recently from California and had been heard to threaten the lives of County Attorney Downey, Judge H. V. S. Groesbeck, District Judge Carpenter and several other attorneys who at one time or another have been connected with the Lepper cause.

He was in the office of Judge Groesbeck but a few minutes before the tragedy yesterday, it is now believed, with the object of shooting the jurist, but was ejected. He had been watched by the police for weeks. Judge Brammell is one of the leading democratic politicians of the state and he has held many important offices.

PIONEER WOMAN CAME TO ALLEN COUNTY IN 1828

Mrs. Elizabeth Brown Dies at Maysville—Other Deaths.

Funeral services were held at Maysville Wednesday for Mrs. Elizabeth Brown, who died Monday at the advanced age of 93 years, 2 months and 6 days. Mrs. Brown was one of the very oldest residents of Allen county, having located here in 1828.

She was born in Pennsylvania, and her marriage to William Brown occurred in 1837. The husband died in 1883. They were the parents of eleven children, seven of whom survive. The children are Mrs. Liza Friedt, John Brown, Mrs. Martha Miller, Mrs. Elizabeth Schwartz, George Brown, William Brown and Mrs. Jane Ritchs. There are thirty-nine grandchildren, fifty-four great-grandchildren and one great-great-grandchild.

Mrs. Brown united with the United Brethren church in 1874. The funeral service was held at the United Brethren church at Harlan, Rev. G. F. Hall, of Leo, officiating, and the interment occurred in the old cemetery at Harlan.

EISENNACHER.

Mrs. Ida Eisennacher, wife of August Eisennacher, residing at 2020 Reidmiller avenue, died Wednesday afternoon from convulsions at the age of 27 years.

Mrs. Eisennacher was born in Noble county and is survived by the husband, a babe but two days old and her mother, Mrs. Johanna Diehm, besides two sisters and a brother.

The remains will be taken to Kendallville Friday for funeral services and interment.

RAIDY.

David Raidy, the little son of Mr. and Mrs. John Raidy, of 424 Bass street, died Wednesday evening from spasms after an illness of but a day and a half. The little one's age was five years and six months, and he was a grandson of David Raidy, the Pennsylvania engineer.

PAYTON.

The infant babe of Mr. and Mrs. John H. Payton died Wednesday morning at the family residence on Ida avenue from exhaustion.

Funeral services occurred from the residence Wednesday afternoon.

FEATHERWEIGHTS TO MEET.

Attel and Weeks Will Battle for World's Championship.

Los Angeles, Cal., Oct. 24.—Articles have been signed for a fight between Abe Attel and Fred Weeks, of Cripple Creek, for the featherweight championship of the world on October 29.

MIXING MILL BLOWS UP.

Four Men Lose Life in Wisconsin Dynamite Factory.

Ashland, Wis., Oct. 24.—Four men were killed here today by the blowing up of the No. 2 mixing mill of the Atlantic Dynamite company's factory near here. Two hundred pounds of nitroglycerine exploded. The work train had just pulled out, otherwise a large number of men would have been killed.

SATURDAY SPECIAL.

AT AURENTZ'S

Assorted Cream Mints, regular price, 30c lb.; for Saturday only, 17½c lb. 24-2t.

About Brain--

Ever Think About Feeding It?

The average man may give some little attention to food to build muscle and NEVER GIVE HIS THINKER A THOUGHT.

Brain wastes away daily (exactly like muscle) and must be rebuilt daily by food —THE ONLY WAY

Else Brain Fag and Nervous Prostration Set In

The things which Nature selects to make Nerve and Brain matter are Water, Albumen and Phosphate of Potash. The last two are found in

Grape-Nuts

Not put there from the drug store but put in the grains by Old Mother Nature. A 10 days' trial of this scientific food will show in renewed vigor and energy in the brain—clearer thinking powers—better memory—sharp, snappy ideas. These are the reasons why

You Can Do Things On a Grape-Nuts Diet

The chance to give Grape-Nuts a fair trial is denied to none, for the weakest stomach can handle this food without trouble or effort. It is toothsome and delicious and is fully cooked at factory so it is ready for immediate service with rich cream or in a great variety of dishes described in the recipe book in each package. See also the little book, "The Road to Wellville," in pkgs.

"There's a Reason"

S.S.S. CURES SKIN DISEASES

There is an evaporation from the body going on continually, day and night, through the pores and glands of the skin. This is nature's way of maintaining the proper temperature of our bodies and of preserving the softness and flexibility of the skin, and so long as the blood is free from impurities no trouble will result. When however, the blood, from any cause becomes infected with humors and impurities these, too, must be expelled and coming in contact with the delicate tissues and fibres with which the skin is so abundantly supplied they produce irritation and inflammation, and the effect is shown by Eczema, Acne, Tetter, pimples, rashes and skin troubles of various kinds. To effect a cure the blood must be cleansed and purified. This cannot be done with external applications, but requires constitutional treatment. S. S. S. is the best treatment for all skin diseases. It goes down into the circulation, neutralizes and removes the humors and acids and thoroughly cures skin affections of every kind. S. S. S. supplies the blood with the proper nutritive qualities so that the skin instead of being irritated and diseased by unhealthy humors, is fed and sustained by cooling healthy blood. Book on Skin Diseases and any medical advice desired sent free to all who write. THE SWIFT SPECIFIC CO., ATLANTA, GA

THE WEATHER.

Chicago, Oct. 24.—Forecast for Indiana: Partly cloudy and warmer tonight; Friday fair and slightly cooler in north portions.

CITY BREVITIES

Harry D. Stone, of Albion, was a business visitor in the city yesterday.

Sergeant Caldwell, of the local United States marine corps, has accepted Fred W. Goeglein for service.

Dr. Bell, who recently underwent an operation for appendicitis, has so far recovered that he is able to walk about.

Theodore F. Thieme has purchased the residence of P. H. Kane, on West Berry street for $10,000 as an investment.

Patrick Toomey, who is said to be the oldest resident in Lake township, is the proud grandfather of a baby boy, which was born to Mr. and Mrs. Joseph Smith, of Lake township.

Mr. and Mrs. S. H. Crawford, of Covina, Cal., who have been visiting with relatives in this city, were called home yesterday by the serious illness of their son, Clarence, who is not expected to live.

Miss Alma Hockemeyer, of Orange, Cal., who was taken down with typhoid while visiting in Adams county and lay at the point of death for a time, has fully recovered and is now visiting with relatives in this city.

Figures on the school enrollment at the beginning of the present year have been completed by Supt. J. N. Study and a gratifying increase is shown. Arrangements to fittingly observe Arbor day, which occurs Friday, are being made.

WAYNE GUN CLUB BANQUETS.

A banquet followed the closing shoot of the Wayne Gun club, which was participated in by a number of the best shots in the city, such as Max Witzigreuter, W. J. Reithmiller, Mr. Regedanz and others who made good scores. The supper consisted of rabbit, 'possum, sweet potatoes and other eatables that are good to the sportsmen's palate. The treasurer, Mr. Reithmiller, reported a successful season and some great events are promised for next year by the members.

Piles Cured Quickly at Home

Without Pain, Cutting or Surgery.—Instant Relief.

WE PROVE IT.—SAMPLE PACKAGE FREE.

There is just one other sure way to be cured—painless, safe and in the privacy of your own home—it is Pyramid Pile Cure.

We mail a trial package free to all who write..

It will give you instant relief, show you the harmless, painless nature of this great remedy and start you well on the way toward a perfect cure.

Then you can get a full-sized box from any druggist for 50 cents, and often one box cures.

If the druggist tries to sell you something just as good, it is because he makes more money on the substitute.

Insist on having what you call for.

The cure begins at once and continues rapidly until it is complete and permanent.

You can go right ahead with your work and be easy and comfortable all the time.

It is well worth trying.

Just send your name and address to Pyramid Drug Co., 95 Pyramid Building, Marshall, Mich., and receive free by return mail the trial package in a plain wrapper.

Thousands have been cured in this easy, painless and inexpensive way, in the privacy of the home.

No knife and its torture.

No doctor and his bills.

All druggists, 50 cents. Write today for a free package.

HEEDS MOTHER'S REQUEST.

Girl Slips Away and Is Married, Obeying Previous Injunction.

Columbus, Ind., Oct. 24.—Obeying the expressed request of her mother that she be not informed of her marriage Miss Bessie Jackson slipped away from her home in company with George Kitsinger and the two were married Sunday night at Edinburg by Rev. Mr. Adams, pastor of the Christian church of that place. The pair intended to keep the wedding a secret.

Mrs. Harry Jackson, mother of the bride, requested her daughter several years ago not to inform her when she contemplated getting married and the girl took her mother at her word. Both young people are well known socially.

NEW OFFICERS CHOSEN.

District Women's Foreign Missionary Society Closes Convention.

The Fort Wayne district convention of the Woman's Foreign Missionary society of the Methodist Episcopal church, held at the First M. E. church in this city, came to a close Wednesday, and officers were elected as follows:

President—Mrs. C. A. Rowand, Fort Wayne.

First Vice President—Mrs. J. K. Cecil, Bluffton.

Second Vice President—Mrs. G. L. Fox, Fort Wayne.

Recording Secretary—Mrs. Smith, Ossian.

Treasurer—Mrs. Thomas Leasure, Auburn.

Superintendent Young People's Work—Mrs. Loren Edwards, Fort Wayne.

Superintendent Children's Work—Mrs. Martha Wolfort, Fort Wayne.

The convention sessions were interesting throughout, and reports disclosed a growth in missionary effort in the district. The Bluffton society was first in rank, both in point of members and in amount contributed to mission work, with the Wayne street M. E. church second and the First M. E. church third.

If real coffee disturbs your Stomach, your Heart or Kidneys, then try this clever Coffee imitation—Dr. Shoop's Health Coffee. Dr. Shoop has closely matched old Java and Mocha Coffee in flavor and taste, yet it has not a single grain of real Coffee in it. Dr. Shoop's Health Coffee Imitation is made from pure toasted grains or cereals, with Malt, Nuts, etc. Made in one minute. No tedious long wait. You will surely like it. BLAZE WAS SLIGHT ONE.

Craig Biscuit Company is Again Visited by Fire.

For the second time in little more than two weeks the plant of the Craig Biscuit company at 115-121 Montgomery street, was visited by fire Wednesday evening, but the loss was kept down to $25. The fire occurred about 8 o'clock in the boiler room, where some cracker box covers had been placed too close to the boilers and had caught fire.

Damages estimated at $700 resulted from fire at 2 o'clock Wednesday afternoon at the home of M. G. Walker, 1311 Horace street, believed to have originated in sparks from an engine. Two residences adjoining were also damaged—those of Henry Shaffer, 1313 Horace street, $35, and R. L. Walker, 1309 Horace street, $50.

Fire on the Clinton street dump Wednesday evening was extinguished by a hose company without damage.

It comes put up in a collapsible tube with a nozzle, easy to apply to the soreness and inflammation, for any form of Piles; it soothes and heals, relieves the pain, itching and burning Man Zan Pile Remedy Price 50 cents. Guarantee. Sold by Meyer Bros. Co., 3 stores, 602, 902 1424 Calhoun street.

THE MODERN SPEECH NEW TESTAMENT.

The Modern Speech New Testament by the late Richard Francis Weymouth, of London, is a book that should be in the home of every family. It makes many of the difficult to understand passages simple and easy. It brings everything out in such a plain and practical way that even the little child will have no difficulty in understanding the precious truths of the gospel. We recommend it to all. It is an excelled book to read at the family altar for the little folks can grasp its full meaning. It is published by the Baker & Taylor company, No. 33 East Seventeenth street, New York, City.
